

Explore the Willamette Forest in your Side by Side (SxS)

This three-day event begins on Friday with festival goers spending the day checking in, preparing their vehicles, visiting vendor displays and exploring Oakridge and Westfir.

Riders will be allowed to ride their SXS on designated city streets to access goods and services. Saturday, riders spend the day in one of three group rides along pre-defined (signs & GPS) routes. Some routes have sub-routes and loops to adjust the length of the route based on actual travel time.

Festival goers are treated to live music in nearby Greenwaters Park on Saturday.

Sunday is a repeat of Saturday with drivers taking different routes from the previous day.

This is a low speed, non-technical event.
