

Dear Family,

Thank you for your interest in our center. In this package you will find all you need for registering your child in our daycare facility.

Registration is ongoing in all of our programs. We have space in our daycare to accommodate 25 children 3-5 years of age (two of them can be between the age of 30 months to 36 months) and we have a Infant/Toddler program that accommodates a maximum of 11 under the age of 3 years. As spaces are limited in our under 3 years of age, they will be provided on a full-time basis only. We will assess your child and see which room will be best to accommodate your child based on development, age and staff ratio.

We also have a schoolage program that accommodates a maximum of 24 spaces. We currently pickup from McGowan, Summit, South Sahali & Aberdeen. This program is full-time care only. If your child is needing afterschool care currently, please complete the registration form and submit it.

Please ensure to inform us of your needs so that we can try our best to accommodate you. Policies are found on our website at www.creativebeginningspreschool.ca

Your registration is deemed complete when the following is submitted:

1. Registration package filled out completely
2. Copy of immunization record attached
3. \$50 non-refundable annual registration fee due upon registration and then July 1st annually for as long as your child attends one of our programs.
