

Thanks to you being there, working lists and
members and support.

We appreciate all your support from
Wolf Creek Ave! You help us to stay afloat!

Thanks again,
Cathy.

P.S. This is long overdue — but you all were
never forgotten!

Dear Wolf Creek Ave & Heat —

You make a difference — year after
year with your donations to the Hela —
Thank you for your contribution of 500⁰⁰ —
you designated for the alcohol tab — It
was nice to hear we made that much in
profit — and you would know that
donation was our "pitty cash" towards it.

Whee, I truly hope you enjoy your
auction items — 2 ways to relax — if the
Kitchen is your thing (like me) you will love you.
And of course, one of these days, I'll ground
you myself with my own Spa —
