

My wife, Patsy, and I have been summering in Pentwater since 1994. Our children were 4, 6 and 8 at the time we started making “Pentwater memories” and the tradition continues. We spend Spring and Fall in Canadian Lakes, a community located 70 miles inland near Big Rapids. We plan to spend time in Florida during the winter months, once we finish our current “project” of building a new home. I retired from The Dow Chemical Company a year ago after 35 years. I acquired my Captain’s license in January 2016 and now spend as much time as possible fishing on Lake Michigan making memories for charter customers and friends. I am also a firefighter of over 30 years on Morton Township Fire Department, a Captain there as well. I enjoy chasing mature whitetails in the fall, spending time outdoors and with my family. Pentwater Sportfishing is a part of me, and serving as a director on the PSA Board is a way of giving back to a community I call my second home and a sport I love.
