Season of Advent: Advent has a twofold nature: It prepares us for Christmas, when we recall Christ's first coming among us, and it is also a time when we look forward to his second coming at the end of the ages. Advent is a season of joyful expectation. During Advent, each Sunday's Gospel reading has a specific focus. The Old Testament readings, especially those taken from Isaiah, are prophecies about the Messiah and messianic times. The selections from the writings of the Apostles present exhortations and instructions on different themes of this season.

A Wonderful Life in Christ (via Zoom) Everyone is invited to join us for a series of four discussions as we reflect on the themes of the 1946 film "It's a Wonderful Life," and relate it to our Christian story. Sessions are open to anyone, will take place on Zoom the four weeks of Advent: December 4th, 11th, 18th and 21st at 10:00 AM. Contact Karen for more information at 387-4198 or register through the website for St. Elizabeth of the Trinity, www.setmoncton.com.

Keepsake Christmas (via Zoom) Families from all parishes are invited to register for an online gathering where each family will create its own miniature nativity set as they learn about the Nativity story. The session will take place on December 4th at 6:00 PM via Zoom. Contact Karen for more information at 387-4198 or register through the website for St. Elizabeth of the Trinity, www.setmoncton.com. **Spaces for this event are limited so please register early.**

Faith Experiments Express (via Zoom): Join Karen and Trevor on Zoom as they share lessons in faith using science experiments that your children (grades 1-6) will do at home. Our next session will take place on December 14th at 6:30pm. **REGISTRATION DEADLINE IS WEDNESDAY, NOVEMBER 10TH.** Please contact Karen at 387-4198 or ihmccatechism@rogers.com for more information and to register.

The St. Vincent de Paul Society will again offer our "Tags for Toys" toy drive to help support the Salvation Army in their quest to offer toys to the less fortunate of our community. Due to Covid restrictions, this will be done a little differently. There will no longer be a tree with tags, but rather a table operated by a volunteer. Tags will be passed to the Parishioner with the gender and age that is requested. This must be done quickly as you exit the Church.

Note: picking up a Tag is not absolutely necessary; you can just purchase the gift of your choice. (The tags are simply an effort to get a cross section of ages and both genders). Tags will be available for pick up beginning November 21st through to

December 12th. Bring your gift "unwrapped" and deposit it in the Boxes provided in the entrance of the church. **The deadline to drop your gift is the weekend of December 19th.**

Exploring our Faith

A New Beginning

The first Sunday of Advent is also the first day of a new Liturgical year. Since the 2021 Sunday missal was not yet available I opened the New Testament and read the beginning: "The book of the genealogy of Jesus Christ, the son of David, the son of Abraham." (Mt 1.1) My mother-in-law once told me that in her lifetime she read the Bible, all the way through, three times. "Except," she admitted, "for the begats. I skipped over them." Matthew 1, 2-17 presents 3 sets of 14 "begats". I imagine most of us skip over them.

If anyone has attempted to trace their genealogy today, they tend to go back through both parents. When they do it becomes quite unmanageable: 2 parents, 4 grandparents, 8 great grandparents, 16 great, great grandparents, 32 great, great, great, grandparents. Each of us is a direct descendant of 32 people after only 5 generations. 14 times 3 generations would result in millions upon millions of direct ancestors, more than the population of the entire world. However, tracing genealogy through one parent does not reveal anything about one's genetic make-up. So what was the purpose of the genealogy through the father in Matthew, Chapter 1?

Primarily it reflected the best science of the time. As an excellent memory device a great many historical stories are placed in chronological sequence from Abraham to Jesus, the Christ who came at the end of those times. Genealogy through the father also brought order to society. Ownership of property was inherited from father to son; the roles of men and women were simpler and sexual morality more clear-cut. Chronology was not just simpler but possible.

What causes so much of the confusion in the world today was a scientific discovery that the female is equal to the male in procreation. When Galileo saw 4 of the moons of Jupiter through a telescope (as we still can with ordinary binoculars) he shook the faith of many believers in the heaven of a previous science. Galileo made us realize (eventually) that belief in the Creator does not rest on our very fallible scientific explanation of creation. Likewise when Darwin saw examples of creation never seen before and scientists discovered microscopic realities about ourselves, they made us realize that our knowledge of procreation had been very incomplete. That does not change our Faith that we are all God's creation, and our limited understanding is not God's.

So when we read Matthew 1 and then go on to read Matthew 2 where one story of the virgin birth is told, we are left with a question: How do chapter 1 and chapter 2 relate? How do faith and reason interact? To explore is to go on a quest. A question is a new beginning that requires an open mind.

Journey Through Advent

The Canadian Conference of Catholic Bishops has created this new online weekly video series to help the Canadian Catholic faithful prepare for the celebration of the birth of Jesus. A joint project involving the CCCB's Office national de liturgie, the National Liturgy Office, and the Office for Evangelization and Catechesis, the initiative was developed as a way, through the modern method of video messaging, to offer a resource that enriches faith formation during a time of joyful anticipation for the coming of the Lord and Saviour into the world. The videos serve as an introduction to the liturgical season and present reflections on the Gospel readings for each Sunday in Advent. The Most Reverend Douglas Crosby, O.M.I., Bishop of Hamilton and the Most Reverend Pierre Goudreault, Bishop of Saint-Anne-de-la-Pocatière, provide spiritual and pastoral guidance on the readings that illustrate the true meaning of Christmas. Especially relevant given the COVID-19 pandemic that places limitations on in-person gatherings for faith communities, it is hoped that *Journey through Advent* will be a source of deep spiritual solace and insightful preparation for all. The videos will be available on the CCCB website each Monday in advance of the upcoming Sunday celebration: November 23, 30, December 7 and 14. The series may be accessed via the following link:
