

What if I need to cancel my appointment?

We all know that life is full of ups, downs and down-right surprises. Cancellations do happen, but please do try to give as much notice as possible if you need to cancel an appointment. Any appointments cancelled with less than 24 hours notice or a 'no show' will incur a cancellation fee. Please be aware that I will send an invoice for any cancellation charges incurred, and clients will not receive any further appointments until the invoice is settled.
