Our third meeting of the club year will be November 3rd at 6:30 pm at our NEW LOCATION at Eastlake City Hall. It will be a General Meeting to discuss our many activities for the upcoming months.

We have several activities on the calendar for Nov. and Dec.

They include: Nov. 28-CHRISTMAS WITH SANTA – Eastlake Fire Station

Don't forget to check the LITTLE FREE LIBRARY OUTSIDE OF THE CAPTAINS BASEBALL STADIUM. Our members replenish the box with books and we hope you will take advantage of the opportunity for you and children to snuggle up with a favorite book.

October was a busy month for our members – our October meeting was delightful with local author Jennifer Boresz discussing her book, "HIDDEN History of Lake County" describing the history of our county with many interesting facts and stories our citizens may not be aware of.

Our members participated in our annual WALK FOR ST. JUDE, which as usual was a beautiful day for a hike at Chagrin River Park. The donations will be used to support St. Jude's Hospital and

Sunrise and sunset will be about 1 hour earlier on Nov 7, 2021 Please also remember to change your batteries in your smoke detectors.

The new home development at the former Washington site was approved last month and the Developer will be working on the streets and sewers over the winter. The goal is to have a model started in February with open houses in April. The development at Taft is still in the planning stages and should be ready by summer. We look forward to the new homes that will be in our city.

Once again, we will have an evening with Santa and a tree lighting ceremony in conjunction with the Eastlake Women's Club. It will be at Eastlakes Fire Department starting at 6pm on Sunday, November 28th then moving to the rear of City Hall. I look forward to a great turnout.

On that same note. Letters to Santa is back!! ATTENTION PARENTS!

It's that magical time of year again where Christmas wishes come true! Have your little ones write a letter to Santa telling him what wishes are deep in their hearts. Drop it off in the mailbox @ the Gazebo behind City Hall and Santa will be sure to send them their own personal letter with a little surprise tucked inside. Please include the child's full name, address, age, gender, a recent accomplishment, name of a favorite friend or relative and a parent's name and email address. You can drop them off starting November 5th and Letters to Santa must be received by December 12th to guarantee a return letter.

On December 12th, we will be hosting a Christmas Market behind City Hall from 3-7pm. Finish your Christmas shopping at the Eastlake Christmas market; offering a wide range of Christmas gifts and decorations, it's a great way to enjoy the festive season. Hot chocolate & warm cider will be available not to mention SWENSONS Food Truck! All proceeds from our 50 plus raffle

baskets will go to Little Annie's Hope Train and there will be stations set up where you can drop off packs of new socks. This organization provides for the needs of the homeless on a daily basis and we are proud to do our part to help them out. Also, you never know! That jolly guy from the North Pole might make an early appearance just to say HI!!! We definitely hope to see you there.

A special THANK YOU to all the residents that came out to support the various events we had over the summer. We have some very exciting things in the works for next year and I cannot stress enough how I hope you will continue to attend these events and bring your friends. Eastlake is on the rise and we want YOU to be a part of our success!!

I would like to wish you and your families a very safe and Happy Thanksgiving

November 2nd is Election Day. Remember to Vote and let your voice be heard!

The month of October has been spooktacular seeing the little ghost, princesses and superheroes at the many Halloween events offered throughout the community.

On October 4th the Eastlake Police Victim Assistance hosted the Arts Action Against Domestic Violence. There were 17 silhouettes displayed portraying "The Silent Witnesses." Each represented a violent fatality committed by the hands of an intimate partner. ALL were from Lake County, Ohio. Listening to the stories was heartbreaking. The message is clear, if you see something say something. If you or someone you know needs assistance please call 440-951-1400 x1128. There is help, for this is not a hopeless situation.

As we enter this season of Thanks I want to send my gratitude to the volunteers at the Eastlake Kiwanis Inc. food bank. At 8:00AM sharp every Saturday they have faithfully distributed countless boxes of food! This is held in the Lake County Captains parking lot. Thank you for showing that this is a community who cares.

Have you started Christmas shopping yet? I can't believe it's less than two months away! Who is on your "nice" list? Why not shop locally in Eastlake? Magnolia Blossoms 34600 Lakeshore features approximately 40 creative vendor booths filled with home decor, antiques, holiday items, boutique clothing & accessories, handmade art and so much more! (For those on the not so nice list you may even find a lump of coal for sale!)

In the same plaza is The Sunny Boutique featuring fashions for women size 0-24. I'm personally obsessed with the flannels they have to offer.

# Laketran Honors Veterans with Weeklong Discount on Transit Services

To honor our Lake County veterans, Laketran will be offering free rides to veterans during the week of Veterans Day from Monday, November 8 - Saturday, November 13.

Laketran customers on Local Routes and Park-n-Ride will need to inform their driver that

they are a veteran when they board the bus, and their trip will be free. Dial-a-Ride customers should inform Laketran of their veteran status when scheduling their reservation.

"Each year, Laketran provides nearly 9,000 Dial-a-Ride trips to Lake County veterans to access

healthcare appointments. It is the least we can do for the sacrifice that veterans have given to our country," said Laketran CEO, Ben Capelle. "We would like to continue to show our support and appreciation by offering free rides to veterans on all of our services."

For over 25 years, Laketran has operated a special Veterans Medical Transportation service, in partnership with Lake County Veterans Service Commission and Lake County Commissioners. The Veterans Medical Transportation provides free door-to-door, Dial-a-Ride transportation for Lake County veterans and their spouses to the county's VA outpatient clinic, administration office, and the Louis Stokes VA Medical Center in University Circle.

Laketran expanded the program subsidizing free Dial-a-

Ride transportation to any adult day care or medical appointment for Lake County veterans, either in Lake County or to University Circle hospitals.

For more information on Laketran's Veterans Medical Transportation program call 1-888-LAKETLAN or visit [www.laketran.com](http://www.laketran.com).

## Remodeling in Eastlake is not Getting any Cheaper

Let's face it we all want the best price on anything we buy.

One local company is hearing from customers "we're going to wait for prices to come down"

As wonderful as that sounds it's just not happening. And it's not going to happen. Several factors come into play here. With fast food paying 15 dollars an hour+ and materials being harder to locate than ever, things

are changing. High quality tradesmen are harder to find and that problem is not getting any better.

Monthly Upkeep Handyman has quickly become a household name in Eastlake. The advice from Owner Spensir Chappell is no matter what trade you are going to need in the future. Make the decision now. With inflation on the rise customers are actually receiving a deep discount by making a decision now.

They currently have customers booking into the middle of next year for kitchen and bathroom remodels. These customers understand that by locking in the price now they are making sure they are getting the best price with prices on the rise.

Whether it's a simple home repair or a whole remodel, Monthly Upkeep is there to help.

# Bankruptcy 101:

The two types of bankruptcy that most people hear about are chapter 7 and chapter 13. The word chapter refers to the chapter (like in a book) in the bankruptcy code. Chapter 7 is a liquidating bankruptcy and chapter 13 is a non-liquidating bankruptcy. Liquidating means they (the government) can take your stuff. Non-liquidating means they can't. However, there are exceptions to this. I will try to lay this out in a simplistic fashion:

In a chapter 7 you will be able to discharge all of your debts without

paying anything back. However, if you have any equity in anything (your home, your car, your bank account, your boat- anything) you must surrender it to the bankruptcy trustee (the person who looks out for the creditors) so that it can be sold (liquidated) to pay back the creditors to the largest extent possible. Equity is what determines which chapter of bankruptcy you can file under. Fair Market Value minus Amount Owed equals Your Equity in anything.

A chapter 13 is a non-liquidating

bankruptcy. This means you get to keep everything, but you have to pay back a percentage of your equity. It is also used for people who are in foreclosure or behind on their mortgage and in fear of foreclosure. A chapter 13 requires a payback plan from between three to five years. The payment is monthly. The amount is determined, again, by the amount of equity you have accumulated in your life. This is referred to as your bankruptcy estate. Obviously, everyone wants to do a chapter 7 because it is no pay back. However, since 2005 it has become much harder to file chapter 7. In 2005, legislation was passed which tightened up the income restrictions on people with regard to the Chapter 7 bankruptcy. The intended result was that more

people must file under Chapter 13 of the Bankruptcy code and pay back, at least, what the government thinks they can afford.

It is the bankruptcy attorney's job to advise you which is the best chapter to file under. It is also the attorney's job to make sure you keep your home, your

car, and everything else you have accumulated throughout your life.

A good bankruptcy attorney will do those all of those things. He or She will also stop the creditors from harassing you, protect you from lawsuits, garnishments, put you back on your feet and give you a fresh start in life.

# “Love Your Neighbor”

How do we “Love Your Neighbor,” as the often-quoted expression goes? Do we help everyone who asks even if inconvenient and costly or do we provide assistance only to those with a documented need? One interpretation is respecting

others and regarding their needs as highly as we regard our own. Any provision, though, does bear the responsibility of considering whether the aid will meet or continue the need.

The goal of Willow Praise Church is to enable individuals

to better their difficult circumstances, not continue them. Partnership with local agencies is allowing us to offer help and referrals of various kinds with a hand up not a handout approach. As an individual’s circumstances change so do their living conditions. We trust these persons will have a desire to give back to others in need. Everyone has something to give and starting to give back with their talents is the easiest way to realize they have something to offer others. Changed people help change peoples’ lives.

One individual we’ve had the privilege of helping came to us a

few years ago with many medical issues. In the months ahead as we took time to get to know her, she was able to get some much-needed encouragement, a hot meal and some practical resources. Her response was “when I get over these medical issues I am going to come and help you cook.” She was good to her word and has been a part of our team ever since.

When we remember our Thanksgivings over the years there is always that one special ingredient that money cannot buy, it’s the love that went into the meal. That ingredient is what every one of our neighbors need and love makes all the difference

Willow Praise Thanksgiving Community meal curbside pickup hours will be Noon – 2:00 PM. Additionally, we plan to deliver to homebound individuals within a five-mile radius of the church from 10 AM – 1 PM. Please contact Willow Praise Church (440)944-5683 to request a delivery no later than Friday, November 19. Please leave your name, address, apartment number, phone number and number of meals.

Willow Praise Church will continue to share our time, talent, and resources as we are able for many years to come and hope to be a beacon of light in a challenging and obscured world.

## Lake County Genealogical Society Meeting - November 18<sup>th</sup>

The Lake County Genealogical Society (LCGS) meeting will be held on November 18 from 10:00 am to approximately noon. Please note that we are meeting early in the month due to the Thanksgiving Holiday, and that we do not have a December meeting. The LCGS has been meeting on Zoom due to COVID-19. Please join us for a short business meeting followed by our speaker, Deborah Abbott.

Deborah Abbott will be talking about, "Using Manuscript Collections in Genealogy Research. Researching manuscripts, oral histories, and special collections in libraries, archives and other repositories are overlooked sources. Manuscript collections often are not indexed, and it takes time and patience to sift through the various documents that you might find. Knowing exactly where and what will be found in a manuscript collection can be tricky, but when found, they can create a gold mine of information pertaining to your ancestors."

"Deborah A. Abbott, PhD, is a professional genealogist, specializing in African American research, manuscript collections and genealogy methodology. She serves as a member of the Cuyahoga County (Ohio) Archives Advisory Commission. She is an associate with the Kentucky-Tennessee Associates based in Springfield, TN; past president of the African American Genealogical Society, Cleveland, OH; and a retired

professor of Counseling from Cuyahoga Community College in Cleveland... Dr. Abbott is an instructor as well as the coordinator for both the weeklong African American tracts at the Institute of Genealogy and Historical Research (IGHR) held at the University of Georgia in Athens, GA and the Genealogy Research Institute of Pittsburgh held at LaRoche University in Pittsburgh, PA. She is also an instructor at the Salt Lake Institute of Genealogy (SLIG) in Salt Lake City, UT. She presents lectures and workshops at a variety of national, state, and local genealogy conferences across the country, as well as colleges, businesses & libraries."

Visit our web site at www.lcgsohio.org to find the email address so you can contact us for an invitation to our Zoom Meeting. You can also go to our web site to learn more about us. # The Best Advantage Plan for 'Snowbirds'

Whether you are wintering in Florida or planning to get away for a couple of weeks, it's a good idea to make sure your health insurance will travel well with you. There are some important differences between Medicare Advantage PPO plans and Medicare Advantage HMO plans you need to be aware of.

It is my experience that Medicare Advantage PPO plans offer more flexibility and are a better choice for those who spend extended periods of time away from home. Like an HMO, a PPO has a network of hospitals,

physicians, specialists, and other health care providers, however PPO networks are usually more extensive than HMOs. Your costs for care will be lowest if you receive care from providers within your network.

With a PPO, you have more flexibility. You will have the freedom to visit any specialist, lab, or pharmacy without a referral from your primary care physician. This means you can see any healthcare provider you choose if you need medical care when you are away from home.

In contrast, most HMO

plans are more restrictive for travelers. The HMO's networks are often limited to a specific geographic area except in emergency situations. While an Advantage HMO plan provides all the benefits covered by Original Medicare through a specific network of health care providers, you will need to use the physicians, hospitals, labs, and other health care providers within your plan's network for the most cost-effective health care. You may also need to select a primary care physician who will act as your health care 'gate-keeper', providing you with referrals before you consult any

specialists.

## Time to make a change

If you're planning to winter in another locale, travel frequently, and have a Medicare Advantage HMO it may be time to change to a PPO. Medicare's Open Enrollment which begins October 15 through December 7 is a perfect time to make this switch. Any changes you make in your plan during Open Enrollment will go into effect on January 1, 2022.

## LCGHD is Offering Free Private Well Water Testing

The Lake County General Health District (LCGHD) is offering free private/residential well water samples on Tuesdays from October through the end of December. There are a limited amount of samples that will be available each Tuesday by calling (440) 350-2543. Appointments will be scheduled on a first-come-first-served basis. A laboratory that is certified and approved for drinking water tests is used for processing the test. *Water samples for home sale transactions are not eligible for this promotion.*

LCGHD is encouraging homeowners to have their well water tested regularly. Private residential wells are often shallower than large volume public supply wells and more open to contamination. Unlike public supply wells, private wells are not regulated under the United States Environmental Protection Agency's Safe Drinking Water Act.

"Many well owners do not regularly test their well water quality, and it's important that they have all the information they

need to make the best decisions to protect their well water and their health," commented Chris Loxterman, LCGHD Environmental Health Supervisor. LCGHD recommends that private well owners test their well water each year for contaminants, such as total coliform bacteria and other contaminants that may be of concern in your area. A homeowner may test more often if a problem is suspected.

For more information, contact Chris Loxterman at (440) 350-2543.

## Audubon Highlights Bird Migration & Motus Tracking

As fall migration winds down, Blackbrook Audubon invites everyone to hear "Monitoring Bird Migration: Evolving Technologies and Remarkable Discoveries" by Dr. Andy Jones of the Cleveland Museum of Natural History. This free presentation will be 7:00 p.m. Tuesday, November 16 at Geauga Park District's The West Woods Nature Center.

Banding birds and reporting sightings on eBird continue to help in understanding bird migration, but the array of technologies available to ornithologists is constantly changing. New tools both large and tiny are giving fresh insights into individual birds' migratory behaviors. Dr. Jones will go over several of these newer systems, including the current status of the Motus network. The northeast corner of Ohio has a gap on the Motus map and Blackbrook Audubon is looking into filling that void.

Participants can attend the program in person or register on the event page of [blackbrookaudubon.org](http://blackbrookaudubon.org) to receive a link to view the program live online. While the program starts at 7:00 p.m., Trevor Wearstler, the host and president of Blackbrook, will open access to the meeting about 6:30 p.m. so people can familiarize themselves with the software features or chat with other attendees. Refreshments will not be served at the in-person program, which will be at 9465 Kinsman Road, Rt. 87 in Russell.

Blackbrook Audubon covers Ashtabula, Geauga and Lake Counties as the local chapter of National Audubon Society. For more information, email [blackbrookaud@aol.com](mailto:blackbrookaud@aol.com). Follow Blackbrook Audubon Society on Facebook for updates.

They want a fair, honest price up front without all the gimmicks you see out there in advertising. We treat each and every one of our customers like family."

"Only about 5% of the Home Improvement companies in

Northeast Ohio have performed consistently well enough to earn our Super Service Award, It's a really high standard.

Angie's List Super Service Award winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review grade period; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List.

Companies are graded on an A to F scale in areas ranging from price to professionalism to punctuality.

## Help with Medicare Open Enrollment

The Lake County Council on Aging is reminding Medicare-eligible individuals of the free counseling assistance available to them and their caregivers during Medicare Open Enrollment which occurs annually from October 15th through December 7th.

Medicare Prescription Drug Plans (Part D) and Medicare Advantage plans change every year, and 2022 will bring some big changes! There are also savings in store for Insulin-dependent Diabetics as certain drug plans are participating in the Part D Senior Savings Model which is available to all people with Medicare. Plans that participate in this model will offer coverage choices that include multiple types of insulin at a maximum copayment of \$35 for a 30-day supply. People who enroll in a participating plan could save up to \$446 a year in out-of-pocket costs.

Understanding your Medicare options can be overwhelming but you don't have to do it alone - we are here to help! The Council on Aging has trained Ohio Senior Health Insurance Information Program (OSHIIP) volunteers available to help you make sense of the complicated Medicare system to make the best choices for your healthcare. These counselors are ready to provide

free unbiased information and education about Medicare, help you review your current coverage and look at plan options for 2022.

This year the Lake County Council on Aging will be conducting in person visits to assist eligible individuals with Medicare Open Enrollment. Please call the Council on Aging at (440) 205-8111 to schedule an appointment to review your current Medicare coverage and explore what is available for 2022.

OSHIIP is not affiliated with any insurance company, and these counselors do not sell or solicit any type of insurance. This Council on Aging service ensures that seniors and people with disabilities on Medicare understand all of the options available to them, and which choices can save them money.

*About Lake County Council on Aging: The Lake County Council on Aging (LCCoA) has been serving Lake County's seniors, their families and caregivers since 1972. The Agency strives to enhance quality of life through education, advocacy, service and support.
