## Happy New Year!

*I am pleased to announce that with a growing senior population and increasing need for services, Scenic Hills Senior Center has purchased the former "Lee's Banquet Haus" to be used as an extension of the center. The new facility will be called Scenic Hills Education & Wellness Center.*

*Hocking County Seniors are integral to the vitality of our community. They are an active and generous presence in many local organizations, where they volunteer their time to help others, and they are caring neighbors, friends and family members to all of us. Ensuring they have the resources they need to live as fully, healthfully and independently as possible has always been a top priority.*

*We are not only expanding the size of our footprint but also our scope of services. There will be new classes and exercise opportunities rolled out in the spring of 2020. The addition will enhance the functionality of the Center and we will continue to use the building as a rental for community events. That will help offset the cost of added utilities.*

*I am very thrilled about this project and grateful to our County Commissioners for supporting this vision of growth for the Center. I feel fortunate to live and serve such a wonderful community"*

### GAIN CONFIDENCE WITH MATTER OF BALANCE (MOB)

Falls are more common than strokes  
and can be just as serious.

**ARE YOU Over 60 years old? Concerned about falling?  
Interested in improving balance, flexibility, and strength?**

### NOW TAKING REGISTRATION FOR MOB CLASS MARCH 30—APRIL 22

**A Matter of Balance Class will be offered:** Twice a week for 4 weeks—Monday & Wednesday (1—3 pm) Call or drop by the office to register, Class is Free. (Limited to 12 people). 385-6581 SIGN UP NOW **IN THIS CLASS YOU WILL LEARN TO:** \*View falls as controllable \*Set goals for increasing activity \*Make changes to reduce fall risks at home.

**WHO SHOULD ATTEND?** \*Anyone concerned about falls, \*Anyone interested in improving balance, flexibility and strength \*Anyone who has fallen in the past \*Anyone who has restricted activities because of fall concerns.

*Fear of falling can be just as dangerous as falling itself.* People who develop this fear often limit their activities, which can result in severe physical weakness, making the risk of falling even greater. Many older adults also experience increased isolation and depression when they limit their interactions with family and friends. "A Matter of Balance" can help people improve their quality of life, remain independent and may also help to reduce the number of unnecessary emergency room visits as well as hospitalizations.

## DELAY THE DISEASE — EXERCISE PROGRAM

The Class is dedicated to helping individuals with Parkinson's Disease (PD) manage their symptoms and maintain quality of life.

***"It's a fitness program to help the participants feel like they have the power over the disease rather than the disease having control over them."***

The empowering results of the ***Delay the Disease*** exercise program can help participants:

### THE FIT4LIFE EXERCISE CLASS HAS A NEW NAME AND NEW FORMAT.

**"THE FITNESS CIRCUIT "** Circuit Training is a great way to challenge participants individually while improving functional movement (movement that translates into daily activity while improving overall fitness and function). Participants will rotate through stations working at a pace and load that is adaptable for all fitness levels. Station signage will provide descriptions and pictures of exercises with adaptations and Danielle will work individually and with the group to create a fun, self-paced class.

Come try the new Fitness Circuit class on Fridays at 10 am *Instructor, Danielle Arnett, Exercise Physiologist*

## **WAIVER AND RELEASE OF LIABILITY FOR SCENIC HILLS SENIOR CENTER ACTIVITIES**

In consideration of the risk of injury while participating in activities and consideration for the right to participate in activities, I hereby, for myself, my heirs, executors, administrators, assigns, or personal representatives, knowingly and voluntarily enter into this waiver and release of liability and hereby waive any and all rights, claims or causes of action of any kind whatsoever arising out of my participation in the Activities, and do hereby release and forever discharge SHSC, their affiliates, managers, members, agents, attorneys, staff, volunteers, heirs, representatives, predecessors, successors and assigns, for any physical or psychological injury, including but not limited to illness, paralysis, death, damages, economical or emotional loss, that I may suffer as a direct result of my participation in the aforementioned Activities.

I am voluntarily participating in the aforementioned activities. I am participating in the Activities entirely at my own risk. I am aware of the risks associated with traveling to and from as well as participating in any Activity, which may include, but are not limited to, physical or psychological injury, pain, suffering, illness, disfigurement, temporary or permanent disability (including paralysis), economic or emotional loss, and death.

I agree to indemnify and hold harmless SHSC against any and all claims, suits or actions of any kind whatsoever for liability, damages, compensation or otherwise brought by my or anyone on my behalf, including attorney's fees and any related costs, if litigation arises pursuant to any claims made by me or by anyone else acting on my behalf.

I acknowledge that SHSC and their directors, officer, volunteers, representatives and agents are not responsible for errors, omissions, acts or failures to act of any party or entity conducting a specific event or activity on behalf of SHSC.

I acknowledge that this activity may involve a test of a person's physical and mental limits and may carry with it the potential for death, serious injury, and property loss. The risks may include, but are not limited to, those caused by terrain, facilities, temperature, weather, lack of hydration, condition of participants, equipment, vehicular traffic and actions of others, including but not limited to, participants, volunteers, spectators, coaches, event officials and event monitors, and/or producers of the event.

I acknowledge that I have carefully read this "waiver and release" and fully understand that it is a release of liability. I expressly agree to release and discharge SHSC and all of its affiliates, managers, member, agents, attorneys, staff, volunteers, heirs, representatives, predecessors, successors and assigns, from any and all claims or causes of action and I agree to voluntarily give up or waive any right that I otherwise have to bring a legal action against SHSC for personal injury.

To the extent that statute or case law does not prohibit releases for negligence, this release is also for negligence on the part of SHSC, its agents, and employees, and county.

In the event that I should require medical care or treatment, I agree to be financially responsible for any costs incurred as a result of such treatment. I am aware and understand that I should carry my own health insurance.
