**Safety:** A couple of reminders about Club safety. The maximum Velocity allowed in the Range is 1610. Any more than that damages our backstop and increases the possibility of accidents. The other item concerns bringing guests to shoot. Our insurance requires that everyone take the Range Safety Test – once. If you bring someone additional times, they do not have to re-take the test. They are kept on file.

**Maintenance**

Mike Lowry

**Old or unused fishing gear is being collected for Boys Ranch. If you Have some, please bring it to the next meeting.**
