February 24, 2017

Dear Fellow Residents:

The next meeting of the Board of Trustees will be held on Monday, February 27, 2017 at 8:00 p.m. at Village Hall. I hope everyone is making it through the winter okay and await better weather to come. We will continue to be prepared for snow removal and providing the highest quality of winter services. We ask that during a snow storm that you keep all vehicles off the streets to allow the plows to get through. If you contract with someone to remove snow from your driveway, please have them refrain from pushing the snow back into the streets. We thank you for your cooperation with regard to this very important request.

The annual Village tax bill has been mailed. Please feel free to call the Village Office to confirm that the mailing information on record is current. As previously advised, once again I am proud to confirm there is no increase in village taxes this year. We as a board have worked diligently to regulate expenses while enhancing the quality and level of services that the Village of Woodsburgh so rightfully deserves.

In addition, please remind your gardener that permits must be renewed at Village Hall for the 2017 season. Only those gardeners holding valid permits will be permitted to work in the Village.

We look forward to seeing you on Monday evening.

Very truly yours,

Lee A. Israel
Mayor
