#### **Alex Slobodyanik**

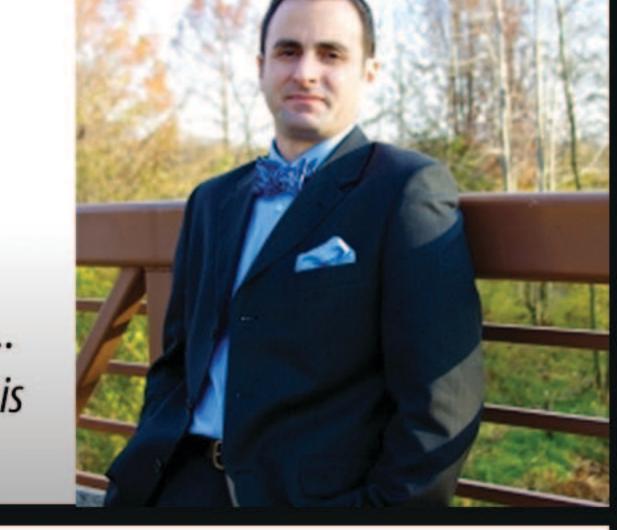

"He is an uncommonly polished keyboard virtuoso, flashy in technique but not in manner, poetic to a fault, musical beyond his years...an authoritative style, mechanical ease and gifts for musical rhetoric rare in pianists of any age." -Daniel Cariaga, Los Angeles Times

Saturday, January 13, 2018, 7:30 PM

#### lan Gindes

"...a real technical tour de force." - Fanfare

"...plays music by American composers in both popular and 'classical' realms with affection, energy, and keyboard brilliance... Gindes brings to each piece a freshness that prompts us to love this music anew."

Saturday, March 24, 2018, 7:30 PM

#### Elena Ulyanova

"You cannot deny the panache of Elena Ulyanova. She intensifies showpieces ... with all the restlessness of a wild breathing and rumbling volcano, which rarely slows down." -Piano Wereld Magazine

#### **Lorraine Min**

"...impeccable phrase-shaping, a crystalline sound..." -The New York Times
