Re: Letter of Support for Paul Giglio

To Whom It May Concern:

This is a letter of support for Paul Giglio. It is my opinion that during Paul's years as an undergraduate student at The College at Brockport, he continually demonstrated an unwavering commitment to the institution and its students.

On our campus, and particularly in the Division of Enrollment Management and Students Affairs, Paul was a student known for making lasting contributions. Evidence proving his influence and how it shaped our campus culture could be seen through his active involvement in our Student Leadership Development program; his role as a Resident Assistant; his participation and leadership in Polar Plunge (fundraising efforts in support of Special Olympics); his participation in student government; and his commitment to the development of the College's first pep band. Paul's commitment to his fellow students and the College's mission of student success was evident in just about everything he did.

For me, Paul was one of Brockport's finest students. His relationships across campus were positive and productive. He is held in high regard by both faculty, staff and students. He is known for getting the job done; seeing tasks to completion; being a voice for students; and being actively engaged in the campus and surrounding community.

It is without reservation that I write this letter of support for Paul Giglio. The College at Brockport is a better place due to his hard-work and determination for the last four years. Should you need to discuss this letter of support further, please do not hesitate to contact me in the Office of Campus Life at (585) 395-5646.

Sincerely,

A handwritten signature in cursive script that reads "Kimberley A. Haines". The signature is written in black ink and is positioned above the printed name and title.
