About Us

Camp Wesley's history spans over 80 years. As early as 1936, a small group of Christians erected the first arbor on the property of G.L. Rogers in rural Rowan County, North Carolina, with the first official camp meeting held August 1-10, 1947. The group soon purchased a five-acre plot of land from Mr. G.L. Rogers, still the current site of Camp Wesley. Soon after permanent buildings began to be built and today, ten buildings cover the Camp Wesley grounds. The Camp Wesley board purchased an additional five acres adjoining the property with plans for recreational areas, an additional dormitory and RV/camper space and an additional tract measuring 140 by 150 feet adjacent to the camp was donated to Camp Wesley during the 1999 Camp Meeting. Many spirit-filled, godly men have served as past presidents and our current presidents of the camp. We look forward to many years of serving in our community.
