

MAD SCIENCE® ENRICHMENT PROGRAM

REGISTRATION FORM

Hey Bobcats!!!

Are You Ready for Some More Hands-On Science Fun?

Exciting Hands-On Classes such as:

Dry Ice

Explore the 3 states of matter. Turn water to ice in 30 seconds, build a giant bubbling potion, carbonate plain drinking water and create the same awesome smoke illusions used in the movies. Test the temperature of liquids at home with your very own Thermo-color changing cup!

Sun and Stars

This stellar program is your ticket to the stars! Learn about the life cycle of a star and how it relates to us. Create your very own constellation and give it the story of a lifetime. Test your knowledge of the constellations with your Cosmic Disc!

Living in Space

Ever wonder how astronauts are able to live in space? Or exactly how astronauts train to live in space? You'll practice building and repairing satellites and create your own space station blueprint! Students will be able to go on a Spacewalk Mission and look through a Space Telescope!

Space Travel

Learn what it takes to be a true globetrotter! See the principals of propulsion at work in a real rocket launch, and build your very own Space Copter to fly to the skies!

... and more!!

*Classes to be held at Villa Park Elementary
after school ends in the lunch area.*

**PLEASE MARK YOUR CALENDAR WITH ALL
IMPORTANT DATES.**

For special discounts, contact our office to inquire.

**Sparking
Imaginative
Learning**

northorange.madscience.org

ALL REGISTRATIONS MUST BE COMPLETED ONLINE

To register for Mad Science:

1. Go to northorange.madscience.org, enter and click "After-School Programs," then "Register Now."
2. Select "Villa Park Elementary" from the location list and follow a few simple steps.
3. You will have to create an account if you have not registered with us. If you have registered through us before, use the "Edit" button to change the grade and teacher for your child.
4. Make sure to click on the box marked "select to register" after your child's name for that child's registration.
5. Choose your payment option. **We accept Visa, MasterCard, and Discover.** An email receipt will be sent to you.

No internet access or credit card?

Please call us at (714) 482-0121 to make arrangements.

DON'T DELAY ... ENROLL TODAY!!

Important information on the back.

Mad Science Policies

- *Registrations are not accepted on the same day that class begins.* Payment and student enrollment must be made at least one day prior to the first class. **Any registrations requested on or after the first class need to contact the Mad Science office to check for space available.**
- **All refund requests must be made before the second class** and are subject to a \$10 processing fee. If your child misses a class, it will not affect their progress in the After School Program. **There are no prorates or refund for missed classes.**
- **A minimum enrollment of 10 students is required to run the program.** If there is more than 1 class time offered, each class must meet the minimum enrollment to run at it's offered time. Students are divided by age, as needed based on enrollment. All students of a particular grade may not be in the same class.

Student Responsibilities

- Mad Science strives to provide a fun and safe learning environment at all times. Students are required to adhere to basic behavior guidelines. All school rules are still in effect as well as Mad Science requirements. If a child needs to be removed from class due to unsafe or disruptive behavior, no refunds will be granted.

Parent Responsibilities

- For the safety of the children, the Mad Science pick up location is at the front of the school unless stated otherwise.
- **Please notify us when you register your child of any health issues – allergies, food or environmental, and any other issue(s) that we need to be made aware of.**
