They explained the structure of the Democratic Party within Maricopa County. They discussed what's involved in being a Precinct Committee Member, and three of us applied. Next month we will try to get additional precinct committee members. We will hold elections for the precinct chair as well as other officers during our July meeting.

Volunteering/Get Involved: Asked for volunteers to make calls to other democrats in Maricopa County LD4 inviting them to attend our meetings. Three additional volunteers accepted: Ingrid Stromberg, Gerae Peten and Jessie Clarke.

We now have four people making calls: Ingrid Stromberg, Richard Ahern, Gerae Peten and Jessie Clarke

I asked for topics we would like to have speakers to present.

Topics include:

- Wealth Inequality
- Gun Violence
- Election Reform
- Social Media Training
- Education

I will work on lining up speakers for each of these topics. Kelli Butler agreed to help by suggesting some people.
