COMPETITION DETAILS:

We're excited to host teams from the Northeast corner of North Dakota.. This Envirothon regional competition is a mini version of our state competition. Please see the agenda for a general timeline. A few items to note:

- The morning portion of the event consists of students rotating around the park to 5 hands-on education stations learning about aquatics, forestry, prairie, soils, and wildlife.
- The afternoon portion of the event consists of a trail test. Teams of 5 rotate around a trail answering questions related to aquatics, forestry/prairie, soils, and wildlife. Questions come from [study resources](#) available on our website and from the education stations. Advisors act as trail guides for schools they do not represent. No cell phones, smart watches or electronic devices will be allowed during the competition. We recommend advisors and students wear a non-smart watch to keep track of time throughout the competition.
- Dress: We request teams do not wear clothing identifying their school name. The competition is mainly outdoors. Come prepared for all types of weather.
- Scoring and awards: All trail tests will be graded at the competition. We will announce the scores and winners at the end of the day. The top 2 teams will receive a free entrance to the North Dakota State Envirothon Competition May 7-9, 2025.
- Registration: please complete the online team registration form and combined health release and photo release form (print, scan and email to Andrea Petersen ndenvirothon@gmail.com by **September 18, 2024**. The registration fee is \$25 per team. Please bring a check to the competition (payable to ND Envirothon).
