The Central Oregon Women's Scholarship Fund is a scholarship program created by local professional women. The purpose of this volunteer effort is to offer scholarships to Central Oregon women who need help in reaching their educational goals. This scholarship opportunity will benefit those entering college for the first time and those wanting to return to school. The goal is to award a minimum of five \$1,000 scholarships each year. The amount of the scholarships and the number of recipients will be decided upon by the Selection Committee. **Applications will be accepted until** 

March 15, 2017. Notification of selection of scholarships will be mailed by May 1, 2017. Scholarships will be disbursed directly to the schools once recipients have provided a student ID for the school they will be attending, name of the school, department and address of where funds need to be sent. For continuing education not at a college or university, a bill or invoice from the institution will be required.

#### CRITERIA FOR SELECTION OF SCHOLARSHIP RECIPIENTS:

These awards recognize women for their contributions to community, school, and home. They are not necessarily awarded for academic achievement, but rather for the applicant's demonstrated commitment to improve the quality of life in the Central Oregon community.

The recommended guidelines for choosing a recipient will include the following:

- Applicant must be attending or enrolled in a community college, college, university, technical or vocational school
- Applicant is female
- Applicant has been a resident of Central Oregon for at least one year
- Applicant demonstrates financial need
- Previous school and community activities
- Volunteer activities and/or community service
- Career goals
- Copy of most recent tax return or applicant's parent/guardian's tax return if applicant is being claimed as a dependent
- Two letters of recommendation
- Essay answers
- Applicant did not receive a scholarship the prior year from Quota International of Central Oregon. It is possible to receive up to two scholarships, but the awards cannot be received in consecutive years.

#### **REFERENCES:**

References must be from two adults not related to applicant. It is the applicant's responsibility to obtain personal references and either turn them in with the application or verify that they are sent in by those providing the references. Applicant should carefully select who will provide references, as the more the individual knows about applicant's circumstances, victories and challenges met, the greater chance applicant will have for being selected as a recipient.
