OHIO	HB 506	Revise law governing high volume dog breeders	9/28/18	Signed into law 7/2018
1. Changes definitions as follows: <ul style="list-style-type: none"> • "Animal Rescue for Dogs" no longer includes those who sell dogs to a dog broker or pet store • "Breeding Dog" no longer includes any unfixed dog on the property – it is now unspayed adult females used for producing offspring • Adds "Enrichment", "Exercise" and "Thermoneutral Zone" • Replaces "Dog Retailer" with "Dog Broker" throughout • Redefines "High Volume Dog Breeder" from keeping adult breeding dogs that produce at least 9 litters of puppies a year and sells at least 60 dogs per year to: EITHER selling 5 dogs a year to a dog broker or pet store for fee or consideration, selling at least 40 puppies a year to the public for fee or consideration, OR keeping over 40 puppies at any time under 4 months of age that were bred and birthed on premises 				

2. Exemptions: Rearranges wording, adds that veterinarians are exempt that provide clinical care and are not engaged in dog breeding, adds humane society animal shelter
3. Rules: Requires veterinary care record for each dog for 3 years; includes registration renewals
4. New Requirements:
 - a) food 2x a day that is sufficient for normal body condition, unspoiled and under vet nutrition plan served in clean and sanitary receptacles (may be withheld if required by vet),
 - b) continuous potable water in clean and sanitary receptacles,
 - c) primary enclosure 6" taller than tallest dog that allows them to turn around/lay down/extend limbs that is not stacked and is cleaned daily for waste and dirt,
 - 12/31/21: floor space of ((dog length nose to base of tail + 9") squared) x2 for 1st dog and (dog length nose to base of tail + 9") squared per additional; solid or slat (<½" between and at least 3.5" wide) level floor; floor must be materials that can be cleaned, safe for breed and size of dog, free from protruding sharp edges, doesn't allow paw to extend through or be caught in it, has solid resting area if not solid floor, does not sag/bend/bounce, and does not include wire metal
 - d) indoor enclosures need proper temperature, ventilation and lighting regulation,
 - e) outdoor enclosures require veterinary approval and must eliminate climatic or ambient temperature threats (not allowed if dog is unable to tolerate prevalent temperatures in thermonuclear zone),
 - f) must be housed with other dogs except for health/biosecurity/breeding/behavioral issue (puppies <4 months may not be with adult dogs except mother or foster),
 - g) females must be declared healthy by vet before breeding and may only produce 8 litters in lifetime,
 - h) clean/dry whelping area with allows mom to lay down and stand, fits all puppies, allows separation from puppies, and keeps other animals out,
 - i) opportunity of daily exercise for 30 minutes except expectant or postpartum dog or as directed by vet, access to outdoors during daylight, daily enrichment, 15 minutes daily human interaction outside feeding/cleaning including verbal or tactile stimulation,
 - j) appropriate medical care and prompt treatment, annual physical exam for adults, parasite and vaccination program by vet, veterinarian for surgery
5. Applications: Removes effective date provisions from 2013 changes
6. NEW Sales: Dog brokers and pet stores purchasing dogs from in-state high volume breeder or out-of-state dog breeder must require breeder to sign document that states compliance with this law and may not buy or sell such dogs without it
7. Dog Brokers: removes effective date provisions from 2013 changes; replaces certificate of veterinary inspection with health certificate
8. Animal Rescue for Dogs: Makes registrations annually that must be renewed at least 90 days prior to expiration and adds \$200 late fee
9. High-Volume Breeders: Makes registrations annually; deletes that sale of 1 dog from litter constitutes sale of litter; revises fees by making them per puppy instead of per litter: for sales to public - \$150 for 40-60 puppies, \$250 for 61-150 puppies, \$350 for 151-250 puppies, \$500 for 251-350 puppies, \$750 for 350+ puppies – \$150 for selling 5+ dogs to brokers/pet stores or keeping 40+ puppies <4 months at one time bred or birthed on property
10. Penalty: Replaces adjudication hearing provisions with reference to Chapter 119; increases fine of 1st offense from \$500 to \$2500 and 2nd offense from \$2500 to \$5000; removes citation notices
11. Pet Stores: Replaces certificate of veterinary inspection with health certificate
12. Dog retailer licenses remain in effect until their expiration date; renewals must be under dog broker license
13. Department determines how to handle dog rescues on effective date; renewals must be no later than 275 days after effective date
