

PERFORMANCE CHARTS

Altitude Conversion Chart	9-1
Takeoff Performance	9-2
Climb Performance	9-3
Cruise Performance - Range	9-4
Engine Performance	9-5
Cruise Performance - True Airspeed	9-6
Stalling Speed vs Weight	9-7
Stalling Speed vs Angle of Bank	9-8
Glide Performance	9-9
Landing Distance vs Density Altitude	9-10

WARNING

Performance information derived by extrapolation beyond the limits shown on the charts should not be used for flight planning purposes.
