- Describe the pathophysiology of the SARS-CoV-2.
- Discuss the impact of COVID-19 in pregnancy.
- Implement the evidence based guidelines for COVID treatment.
- Address the impact of COVID on offspring.

Speaker(s) Bio:

Cornelia R. Graves, MD, FACOG

Medical Director, Tennessee Maternal Fetal Medicine
Director of Perinatal Services, Ascension Saint Thomas
Co-Director, Collaborative Perinatal Cardiac Center
Professor, Department of Clinical Medical Education,
University of Tennessee Health Science Center, College of Medicine
Clinical Professor, Vanderbilt University
Adjunct Professor, Meharry Medical College

Dr. Graves is a graduate of Baylor University where she received honors. Dr. Graves received her medical degree from the University of Arkansas for Medical Sciences and was recipient of the Purdue Fredrick Award for Excellence in Women's Healthcare. She completed her internship and residency at Vanderbilt University Medical Center. She completed her Maternal-Fetal Fellowship at Vanderbilt University. During her fellowship, Dr. Graves received special training in Obstetrical Critical Care and became the director of one of the first Critical Care Obstetrical Units in the nation. She is currently the Medical Director of Tennessee Maternal Fetal Medicine and the Medical Director for Perinatal Services at Ascension Saint Thomas. She is also a Professor at the University of Tennessee and serves as clinical and adjunct professor for Vanderbilt University and Meharry Medical College, respectively.

Considered a national expert in the management of maternal disease, Dr. Graves is extensively published and has received numerous teaching, research, professional and community awards. She has been actively involved in research and has served as an investigator on studies involving asthma, HIV, diabetes, and drug addiction during pregnancy. She is an immediate past member of the Board of Directors of the Society of Maternal Fetal Medicine.

She has been instrumental in the formation of a Maternal Mortality Review Committee for the State of Tennessee and currently serves as a member of the review committee and a member of the CDC committee on Bias in Maternal Mortality. She also serves as the project leader for the Maternal Section of TIPQC.

In 2012, Dr. Graves, along with cardiologist Dr. Stacy Davis, started the Collaborative Perinatal Cardiac Center, a joint venture between Tennessee Maternal Fetal Medicine and Ascension Saint Thomas, which is one of the first in the nation to address maternal heart care from the preconception period through postpartum care with a focus of long term prevention.

In her spare time, Dr. Graves serves as keyboardist and choir director for her church and works with the youth ministry.

Training

Baylor University, Waco, Texas
BA, Chemistry 1983

University of Arkansas for the Medical Sciences, Little Rock, Arkansas
MD, 1987

- ❖ Has no relevant financial relationships with ACCME-defined commercial interests
- ❖ Will not be discussing the off-label or investigational use of products

Course Chair reviewed and found no Conflict of Interest

All Ascension planners and reviewers have no relevant financial relationships with ACCME-defined commercial interests

TARGET AUDIENCE: This activity is designed for the interdisciplinary audience including physicians caring for pregnant patients.

DISCLOSURE OF RELATIONSHIPS/CONTENT VALIDITY: It is the policy of Ascension to adhere to Joint Accreditation Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All speakers, Course Directors, Co-Course Directors, planners, reviewers, and staff members participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity. Presenters and authors are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Ascension CE/CME activities are intended to be evidence-based and free of commercial bias. If you have any concerns, please call the Ascension CE/CME Department at 205-838-3225 to anonymously express them.

Commercial Interest: *No commercial interest was received for this ICPE activity*

Faculty/Course Director/Planners:

All Ascension planners and reviewers have no relevant financial relationships with ACCME defined commercial interest.

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CME/CE planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest: In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Credit Designation:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 IPCE credits for learning and change.

FOR PHYSICIANS:

The Ascension/St. Vincent's Health designates this Live Activity for a maximum of 1.0 credits *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FOR NURSING:

This activity is awarded 1.0 contact hours. (based on 60 minutes per contact hour)

FOR PHYSICIAN ASSISTANTS:

Ascension/St. Vincent's Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

FOR PHARMACY:

This knowledge-based activity qualifies for 1.0 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

Obtaining CE Credit:

1. Review the live/enduring activity
2. Complete the activity in its entirety
3. Complete the electronic activity evaluation
4. Certificate of completion will be sent 10 days after each activity viewed. CME, PA NP credits will receive a transcript; CE, Social Work, Allied Health credits will receive a CE certificate electronically to be downloaded to individual boards by the participant and ACPE Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.
