

PARKING CHANGES

All Parking Lot Gates Will Be Active Soon

In order to free up parking spaces for Veterans, visitors, and staff, effective Monday, July 1, 2013, all parking lot gate arms will be activated and validated tickets will be used to exit the lots.

What does this mean for you?

Where can you park?

Veteran and visitor parking is located closest to the building and is indicated in yellow on the map.

Where do I get my ticket validated?

Check in the area where you have an appointment or VA business to get your ticket validated.

How do I get out of the parking lot?

Use your validated ticket to slide into the yellow ticket box when exiting the light. Slide the ticket as indicated on the arrow.

When is this happening?

All gate arms will be activated by July 1, 2013. We will be re-evaluating and adjusting this process as we proceed. We thank you for your patience.
