MINISTRY HIGHLIGHTS

FREEDOM GROUPS Freedom groups are small groups of individuals who meet regularly, once or twice a month, for friendship, Bible study, prayer and encouragement. Groups consist of 8 to 12 people. Many people form lasting friendships and enjoy sharing the adventures of life with other like minded individuals. Right now we are trying to put together a "Snow Bird" group, (those who go away for the winter) and also a group of just ladies. If you're interested in either of those two groups, or would like more info about Freedom groups in general, please contact Kim Oosterbaan at kobaan@juno.com.

KITCHEN The kitchen had been a blessing to Ruthann and myself! We have enjoyed serving everyone meals, coffee, snacks or whatever comes up! We are looking forward to seeing how God uses the kitchen this summer for meals, kids camp, or serving all ministry needs.

We are looking for servants that would be willing to help us make coffee on Sunday mornings.

Our prayer requests are that we continue to stay within our budget, especially with inflation of paper and coffee supplies and that a few people will help with coffee preparation on Sundays.

We thank everyone for their support and willingness to help whenever we have meals. You are appreciated by us! Julie Hapke and Ruthann Van Aelst

HARVEST OF GENEROSITY Harvest of Generosity is a non-profit 501c3 organization that equips youth with skills of growing a garden, giving produce back to the community while learning about Jesus. This is a summer program for middle and high school students. We are always looking for adults to help with the garden, i.e. weeding, watering, helping with students, etc.

There will be opportunities to donate snack items or drinks for the summer if you are interested see Julie or Ruthann.

The garden at Parkside has mostly been planted. There are carrots, potatoes, tomatoes, peppers, squash, corn, zucchini and a few more veggies that I may have forgotten. These will be shared with the Parkside community and food pantry as they are harvested.

Prayer requests: that the garden grows, for the hearts of the youth and adults that will come out this summer, relationship building, that the youth will accept Jesus Christ as their Savior if they haven't already, and the teaching and learning how to grow and sustain a garden. Thank you all for your support.
