

2021-2022 Sponsorship Opportunities

About us:

The Las Vegas Gymkhana Association is a State of Nevada registered non-profit organization that was founded in January 2013. We welcome ALL riders and foster a family-oriented environment where everyone feels welcome. We support riders of all ages: from barely old enough to sit on a horse to those that have flourished over the years. We host ten (10) shows per year beginning in September at the Henderson Saddle Association located at 6490 Wiesner Way, Henderson, Nevada 89011.

About the Sport:

Gymkhana is an exciting, family-oriented equestrian sport in which anyone of any age or riding ability can enjoy. Riders compete in different timed events. Each event is made up of a set pattern of obstacles that will test a rider's skill and horsemanship. Gymkhanas can be made of up to 13 different events. Two of the most popular events are barrel racing and pole bending.

What's in it for you:

Horse people need more than just equine/lifestyle services and goods. When you sponsor our organization, you're letting our members know who you are, where you're located and that you care and support your community. Your sponsorship helps ensure that LVGA can continue providing an atmosphere where everyone feels welcome regardless of their experience or ability and by promoting good sportsmanship and other core values.

Whatever level of sponsorship you choose, we can promote you or your organization through visual ads in our program, arena banners (which include photo ops), placement on our Sponsor Page on our website, postings on our Facebook page and public announcements throughout each of our shows thanking you for your sponsorship.
