

Red Cross Instructor Training

Wed July 17 and Thu July 18 8:00-5:30 \$390*

ROE #8 Office 27 S. State Ave Suite 101 Freeport, IL

This special **INSTRUCTOR** training will allow participants the necessary certification to be able to teach and certify students in First Aid and CPR/AED. (*The minimum number of participants to run this workshop is 4. If more participants sign up, the cost for the course will be less.) There is no written exam, but rather participants will demonstrate proficiency in first aid techniques.

- First Aid and CPR/AED trains you to respond to breathing and cardiac emergencies, injuries and sudden illness.
- CPR/AED trains you to respond to cardiac and breathing emergencies.
- First Aid trains you to identify and respond to common sudden illnesses such as fainting, seizures, strokes, allergic reactions, poisoning and diabetic emergencies.

Health teachers, PE teachers, coaches, school nurses, and other school personnel are encouraged to sign up for this special training.
