Soroptimist International of Citrus Heights

Pansy Carrick Awards are given in recognition of the outstanding contributions made to home, school, and community by young people entering any medical field of study. The award affirms the Soroptimist belief in the integrity, ability and potential of young people.

The Pansy Carrick Medical Scholarship was established in 1986 to honor Pansy Carrick, an active member for many years, of Soroptimist International of Citrus Heights.

Pansy borrowed money to go to nurses' training school and obtained her RN degree in 1928. In 1930, Pansy was asked to fill the position of nurse supervisor at a local Sacramento hospital. She then became the first school nurse at San Juan High School. She felt ill prepared, so she continually attended classes to learn "what I needed to know yesterday". Pansy received her BS degree in 1950 along with her teaching credential and Public Health Certificate, and was a school nurse until she retired at age 65. She then taught adult education classes until she was 70 years young.

Pansy was active in the American Red Cross, which awarded her their highest honor, the Clara Barton Award. She was also active in the American Business Women's Association, and was named "Woman of the Year" in 1974 and again in 1984.

She also served as President of the League for Nursing, the Nurses Association, the Public Health Association of Northern California, and was one of the first board members of the Visiting Nurses Association. In 1985, Pansy received an award from the Older Women's League for service called "WOW" - Wonderful Older Women.

Pansy Carrick died March 26, 1992 at the age of 89. She lived her life setting goals, which she diligently strived to achieve, and serving the people and community for whom she constantly demonstrated a sincere love and devotion.
