

## Rich Chofey SR's 1965 Ford Mustang

The 1966 Mustang as Purchased by Rich

### **Rich Chofey SR's 1966 Ford Mustang**

Car was purchased from the original owner, Bill Keningham, former president of Montage Mountain Classics Car Club. Bill purchased this Mustang at Glenwood Ford in Taylor Pa. on October 15, 1965.

Rich's son acquired it from Bill in August 2009. After doing a paint job and chrome replacement, Rich's son sold it to him in 2012. In 2013 Rich had the 289 rebuilt; it is now a 302.

The car still has the original 2 barrel carburetor and 3 speed transmission. Rich is doing the interior over to the original color and material.

This 1966 Mustang is a driver and can be seen at many area events.

This is indeed a very nice car!
