CITY OF CISCO

PERMIT NUMBER: \_\_\_\_\_ **MECHANICAL PERMIT APPLICATION**

Mechanical Permits will only be issued to licensed Texas Air Conditioner Contractors upon presentation of a valid Texas AC Contractor’s license. If a homeowner is completing their own mechanical work without a valid license, they **MUST** present as part of the permit application, proof of ownership of the property.

The City of Cisco has adopted the 2021 International Mechanical Code and all work must conform to that code.

Each mechanical permit will require three inspections; rough in, top out, and final. When you have completed each phase of work, please contact the inspector, **Banjo Berryman, at 940-247-9640** before continuing with work.

**NOTICE**

Separate permits are required for electrical, plumbing, gas, and mechanical work. There will also be additional fees for inspections of work. This permit becomes null and void if work authorized is not commenced within 6 months, or if work is suspended or abandoned for a period of 1 year at any time after work is commenced. Revised plans must be submitted for city review and approval is required for any changes made after the City of Cisco issues a permit.

## SIGNATURES

I hereby certify that I have read and examined this application and know the same to be true and correct . All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
