Licensed Esthetician

Breanna is a Licensed Esthetician of 8 years, Geo Love Energy Healer, and a Holographic Sound Healer. As a healer and medicine woman that's focused on awakening us, healing from the inside out & to our truest self, healing at the soul level to find pureness in life.

Through touch and rejuvenating treatments, customizes treatment plans with advanced skincare, newest modalities, lash enhancements and brow shaping, to ancient techniques, ancient wisdom, instruments, sacred geometry, plant medicine and the voice to change our life in profound ways through vibration and love, removing what doesn't serve you. To reach higher levels of consciousness and happiness. Healing with intention and the power of frequency, transmuting what no longer serves us, reminding us of our true essence of who we really are and the power we have to heal and change ourselves.

Come receive a relaxing escape from reality, treat your skin, heal scars and inner wounds, awaken to new light and energy from Breanna and gain deeper awareness, connection to life and learn about how nature heals us in a pure, profound way. You will feel more refreshed and

cleansed, gain self-confidence, connected to your higher self, higher realms and aligning you with your true potential. Slow down and try something new or what you know you'll love!
