10/07/2016

Dear Eric Rogers,

On behalf of the entire SCTA-BNI Organization, we would like to extend our sincere appreciation for your dedication and hard work with the salt lay down program for the 2016 racing season. It is through your efforts that we were able to have courses to race on and a successful Speedweek. While there is still much work to do, the SCTA-BNI organization recognizes Intrepid Potash as a major contributing factor in saving and restoring the Bonneville Salt Flats. We understand this is a costly and time consuming process. The SCTA-BNI organization along with the Save the Salt Coalition is working diligently to find the means to make it a more mutually beneficial process going forward. Happy Holidays and best wishes for a prosperous new year from your friends at SCTA-BNI.

Bill Lattin

SCTA President.
