Subject: 2017 Desert of Virginia Calendar

Greetings:

Enclosed is the 2017 Virginia Desert Calendar. It will help you to know when other Temples and Courts in the Desert of Virginia are scheduled to meet and have events. If you have an event that you would like to have, you must first confirm with the Deputy of/for the Oasis for approval so that he/she can confirm that no Temple/Court has been authorized to host an event on the same date.

Please remember that dispensations must be submitted at least 60 days prior to the date of your event. We would like everyone to support all programs being held in the Desert of Virginia *before* supporting any Temples, Courts, and Deserts that may be having events on the same date. There will be no events held during the **same time** as a Desert event but events may be held on the same date.

~ There will be no events hosted during a ball (weekend) being held in the Desert of Virginia ~

HAPPY NEW YEAR
