NOTICE: HYDRANT FLUSHING

Where	When	Time
Menalto Avenue, East O'Keefe Street, Donohoe Street, O'Connor Street	Tuesday, April 23	From 9:00am to 5:00pm

WHY: To clear mains of sediment.

WHAT TO DO: Sediment may come out of your faucets. This is a temporary condition. To help clear pipes in buildings and at properties, ask maintenance personnel to run outside hose bib. To help clear the pipes in your unit please run the faucet in your tub first, then run the rest of the inside taps until the water is clear. You may wish to postpone doing laundry until the following day. You may also notice low water pressure or no water. This is a temporary condition and should not last long.
