Please Read:

1. Residents with M.D.'s diagnosis of dementia (e.g. Alzheimer's) must be placed in facilities with a "dementia waiver" approved by the licensing agency, Community Care Licensing, CA Department of Social Services.
2. Facilities approved for "dementia waiver" are required to have special locked units or devices to delay resident from leaving facility.
3. This chart gives price ranges which should be used for comparative purposes only. There might be additional fees depending on private rooms, care needs and services. Check for current price information. Note: Very few facilities accept Supplemental Social Security Income (SSI) payment for low income persons.
