RULES AND INFORMATION

Show Manager has complete control over all rules

1. **Arena Time:** Arena time will be on a first come, first served basis and is limited to 20 minutes per head Coach. Additional 20 minute practice times can be used if there is not a team waiting for arena use. A sign up sheet will be available at the show office. Please be courteous and respectful of your fellow Coaches by exiting at the end of your arena time if someone is waiting. **Show Management will not be playing music during arena time and the announcer booth will not be open.**
2. **General Scoring:** SEMDTA uses the ranking system to determine placings for all classes.

RANKING POINT								
For Example: there are 3 teams in a class								
	Judge 1 Score	Judge 1 Placing	Ranking Pts	Judge 2 Score	Judge 2 Placing	Ranking Pts	Overall Total Ranking Pts	Overall Placing
Theme								
Team A	585	1	3	530	2	2	5	1st
Team B	581	3	1	550	1	3	4	2nd
Team C	583	2	2	510	3	1	3	3rd

Ties will be broken based off the Judges scoring starting with Execution of Drill, Degree of Difficulty and then Horsemanship.

3. **State Placings:** this is an accumulation of ranking points from the February (1st Show), April (2nd Show), and June (3rd Show) shows. If your team places first at the June show in any class your team will be announced as the winner of that class for the June show and will receive a first place ribbon; however, the team with the overall highest accumulated ranking points from the three shows will be named the SEMDTA State Champion. You do not have to be from Georgia to win the Georgia State Championship. Must compete in at least two shows.
4. **Regional Placings:** this is an accumulation of ranking points for Quad, Theme, and Freestyle within each Division for the Regional Show. Example: to be eligible for the SEMDTA Regional Championship of the Green Division a team must enter Quad Green, Theme Green and Freestyle Green. If you have multiple teams in a Division, Coach must declare on the entry form which team will be competing for points. There will be a separate form to enter riders names per class that is also required to complete your registration. If separate forms are not received with your entry forms, your entry will not be accepted and late penalties will apply.
5. **National Placings:** SEMDTA will use the ranking system to determine placings for all classes. If your team places first at the National show in any class your team will be

announced as the National Title winner of that class. The Freestyle Open class winner will be announced as our SEMDTA National Champion.

- 6. Division Overall High Point Placings:** this is an accumulation of ranking points in each Division for all five SEMDTA shows (February, April, June, Regional and National). The Overall High Point team per Division will be the SEMDTA National Division Champion (Green, Novice, 4-H/FFA, Youth, Adult, and Open). To be eligible for the SEMDTA National Division Championship a team can only miss one show and must compete in Nationals to be eligible. **If you have multiple teams in a Division, Coach must declare on the entry form which team will be competing for points on the first competition of the year entry form!**

In order to receive points for the Overall High Point placings Coaches must enter the same team name with same team members in each of their Divisions consistently throughout the year.

- 7. Flag Protocol:** proper flag protocol and flag carriage must be maintained at all times during competition. Flag tops must be balls or caps (no eagles, pikes, or spears due to safety concerns and insurance) during competition, except during Color Guard competition. No pyrotechnics are allowed at any competition. Teams will be disqualified using any flag top other than ball or cap during regular competition.
- 8. A rider** may not leave the arena and return during a performance. Team will be disqualified.
- 9. Whistle:** Use of the whistle for maneuver changes during competition is at the discretion of each Head Coach; however, each class will require two riders on the team to wear a whistle for safety and emergency use to be used as notification for all riders to stop their horses.
- 10. Inside or Outside coaching/giving direction** from outside of the arena will penalize the team **with a 75 point per judge deduction.**
- 11. No person** on foot allowed in the arena at any time except for an Emergency. Only people allowed in arena for an Emergency is Coach, parents of rider and appointed medical personnel. The other exceptions are show officials when necessary and judges during Color Guard competition. Anyone entering the arena to help out in any way after the gate is closed will be cause for the team to be disqualified except for the above mentioned.
- 12. Arena:** you should look over the riding surface for dropped items before you enter for competition. Any item in the arena at the end of your ride will receive the proper deductions. Courtesy laps are a good time to inspect the arena floor.
- 13. Reins:** the topic of which hand to use on reins during competition drill has always been a spirited debate. Here is the answer: **ALL** riders on each team are to ride one of three choices; all left handed, all right handed or all two handed. It will be scored the same by all judges in a fair and impartial manner. If one rider or more is different, then deductions would apply under uniformity rules. **Will not affect Novice or Green teams.**

14. **Courtesy lap:** your team will be allowed to take a courtesy lap around the arena before your drill.
15. **Gate:** each team must have your own person to work the gates. For safety reasons gates must be closed during all classes.
16. **Pets:** Absolutely no pets will be allowed in the competition arena at any time regardless if they are on a leash or just someone holding their pet. All pets must be on a leash or in a carrier during the show. If pets are seen in the arena area; the show will be stopped until they are removed. **No Exceptions!**
17. **Children and Spectators:** Must stay in or behind seating areas. Absolutely no one allowed on or beside arena railing!
18. **Barn Aisles:** must be kept clean and clear. If your team plans meals in the barn you must rent a tack stall to set up your tables and food. Absolutely no tables are allowed in the aisles. As a courtesy chairs should be folded and neatly aligned on the stall wall or placed in tack stall when not in use.
19. **Judges Meeting:** There will be a Judges Meeting before each competition begins in a designated area (time will be announced). All Head Coaches must be represented at the morning Judge's meeting. No more than two (2) members per Head Coach are allowed. If your team has anything to declare, that will be the time to do it. Even if you have nothing to declare, you will still need to be present at the meeting. If you have a horse or rider that is hurt and has something on them that will stand out to the Judges that is different from the other horses or riders, the Judges will need to know about it.
20. **Entry Forms:** Each team with a different name **must** have separate entry and release forms. Do not combine multiple teams onto one form. Example: Floyd County JV and Floyd County Varsity each must have their own entry form and their own release form. Also, if you have three teams entering Quad, Theme or Freestyle, they will need to be on a separate entry form with the name of the team. All signatures on the release form and on the entry form must be received prior to the competition. The 4-H County Agent and the FFA Agent must sign all forms for teams entering in these classes or you will not be allowed to participate. Any team without all of the proper signatures will not be allowed to compete and no refunds will be given. Entry deadline will be strictly enforced. **All forms and full payment must be received by the entry deadline. Absolutely NO EXCEPTIONS! Late penalties will be enforced.**
21. **Late Entries:** Entries received after the deadline will be charged a \$50.00 late fee which must be included with the entries. Head Coach will also be responsible for the postage and additional costs for awards ordered after the deadline. The Show Manager tries to maintain low costs for the shows by ordering all awards in bulk based upon entries received by the deadline date. Entries received after this date are not included in the initial award order and are subject to higher costs for which the Head Coach is responsible for paying prior to the awards being ordered. The riders deserve to receive their awards at competition, so the respect of submitting your entries on time is appreciated. As a reminder: Championship awards are special ordered after the competition; therefore, these awards will arrive 6-8 weeks after the competition. Ensure that your riders and parents are aware of the delay in receiving the Championship awards.

22. **Coggins and Health Certificate:** Negative Coggins is required for all horses. If you are coming from another State, you will need to have a Health Certificate plus your Negative Coggins for the competition. All Coggins and Health Certificates must be posted on the stall door in a plastic sleeve (not provided).
23. **Absolutely no smoking in barns, no under age smoking or drinking!** Show Personnel has the right to ask a person their age and proof of age. If underage, offender will be turned over to their Head Coach for discipline and will be disqualified from riding in that competition. There will be no exceptions to this rule.
24. Time will be announced after each team's drill.
25. **JUDGES DECISION IS FINAL!**

A Grievance Committee will be designated by the show management before the drill team competition begins. This committee will act upon protests arising out of matters pertaining to rules and eligibility. A grievance or protest must be made in writing and presented by the Coach only, accompanied by a \$100 cash fee during or immediately upon conclusion of the drill in question. Protests made by anyone other than a Coach will be considered invalid. The rider and/or riders and the reasons for the protest being filed must be designated (division, team name, riders). Protests will be made with the understanding that the protestor's name will be made public. If the protest is upheld by the Grievance Committee, the deposit will be refunded to the Coach. If the protest is overruled, the deposit shall be forfeited to the Competition fund. The decision of the Committee is final. The Grievance Committee will not reverse the placing of the class if the protest is found to be invalid. If protest is found to be valid, placements will be adjusted accordingly. **No protests, questions, or discussions regarding decisions of the show will be accepted or held after the awards ceremony.**

 - B. The cd cannot have a sticker or paper label on the actual cd. These have resulted in music not working properly at different venues.
