

1 13.1.2 Under no circumstances shall the District's maximum contribution for retired  
2 employees exceed that contributed by the District for current full-time employees.

3 13.1.3 For purposes of the foregoing, completion of seventy-five percent (75%) of the  
4 workdays within a school year shall constitute completion of a year of service. The Board may,  
5 at its sole discretion, modify retiree benefits stated herein when in its consideration the  
6 circumstances of an individual situation warrant such action.

7 13.1.4 Bargaining unit members who are working under less than a full-time contract  
8 shall be eligible for a pro-rata District contribution to the employee health and welfare benefits  
9 program in accordance with Article 25, Salaries and Fringe Benefits.

10 13.1.5 Bargaining unit members and retirees shall be responsible for payment, through  
11 payroll deduction or personal check (retirees), for health and welfare benefit selections, which  
12 exceed the benefits provided herein. Any retiree with retirement benefit entitlement pursuant to  
13 Article 13 (Retirement) who moves to an area not covered by the District's medical, vision, or  
14 dental policy carrier(s) or for whom such carrier cannot provide convenient services may elect  
15 to find another coverage that meets their needs. Upon written request prior to May 31<sup>st</sup> of each  
16 fiscal year, the retired bargaining unit member shall be reimbursed in advance on a semi-annual  
17 basis for medical coverage so selected, provided that at no time shall the District be responsible  
18 to pay more than the dollar amount for which the retiree is eligible pursuant to Article 13. If  
19 the premium of the policy(s) selected exceeds the retired bargaining unit members' maximum  
20 dollar eligible pursuant to Article 13, individually or in combination with any other policies  
21 provided to said bargaining unit member pursuant to Article 13, the retired bargaining unit  
22 member shall be responsible to pay the excess balance.

1 13.1.6 The surviving spouse or other eligible dependents, if any, of a bargaining unit  
2 member who dies prior to expiration of his/her retirement health and welfare program (which  
3 may include medical, dental and vision protection) under this Article shall be entitled to  
4 continued benefits for the remainder of the original six (6) or eight (8) year program, whichever  
5 is applicable. For retirees who selected the full health and welfare benefits plan for six (6)  
6 years, the survivor benefits shall be limited to medical, dental and vision. For retirees who  
7 selected medical protection only for a period of eight (8) years, the survivor benefits shall be  
8 limited to medical only. In neither case shall the benefits include life insurance protection for  
9 the surviving spouse. This benefit of continued coverage for a surviving spouse and other  
10 eligible dependents, if any, shall only apply to bargaining unit members who retire and  
11 commence participation in the retirement health and welfare benefit program under this Article  
12 on or after October 1, 1985, and who die prior to termination of the program leaving a  
13 surviving spouse and other eligible dependents, if any.

14 13.1.7 For married couples both of whom are employed by the District, arrangements  
15 may be made at the time of retirement for the health and welfare benefits to be utilized in a  
16 consecutive manner rather than concurrently. In this way, the protection to be enjoyed by  
17 married retirees may be expanded to a maximum of twelve (12) years or sixteen (16) years  
18 depending upon the retirement option selected. Under these circumstances wherein bargaining  
19 unit members would seek to defer the engagement of benefits for a period of time not to exceed  
20 six (6) or eight (8) years due to eligibility under these provisions due to marriage, the District's  
21 responsibility to pay for health and welfare benefits shall remain at the same dollar amount in  
22 effect at the time of retirement. When benefits are subsequently engaged by the retired  
23 bargaining unit member, the retiree would be responsible for paying the difference in the rates

1 from the date of retirement to the commencement of the benefits. Once the retiree's  
2 participation has commenced, the retiree's contribution shall remain constant and any  
3 subsequent increases in the costs of the benefit programs would be borne by the District. It  
4 shall be expressly understood that life insurance protection under the district's retirement plan  
5 shall not be included in this deferral program, and the life insurance coverage may exist during  
6 a concurrent period of time after the retirement of the married couple and under no  
7 circumstances shall this protection exceed the seventieth (70<sup>th</sup>) birthday of any participant.

8 13.1.8 Any bargaining unit member who is not qualified under Article 13.1.7, who is  
9 singularly employed by the District and who will be under continuous coverage through  
10 another health and welfare plan, may make arrangements at the time of retirement for the health  
11 and welfare benefits to be deferred to a future date. This date cannot extend beyond ten (10)  
12 years after retirement. Once the date for beginning health and welfare coverage is made, it  
13 shall be used in a consecutive manner. The retiree would be responsible for paying the  
14 difference in the rates from the date of retirement to the commencement of the benefits. When  
15 benefits are subsequently engaged by the retired bargaining unit member, the District shall pay  
16 only the total dollar amount that the District would have been responsible for if the bargaining  
17 unit member had entered into the program at the time of retirement. It shall be expressly  
18 understood that life insurance protection under the District's retirement plan shall not be  
19 included in this deferral program. The District shall maintain a list of deferred retirees. Thus  
20 accurate information will be readily available and can be given to each retiree who chooses to  
21 defer said benefits. Said list will be conveyed to the Association at biannual intervals.
