Benefit Bash for Iowa Chapter of Paralyzed Vets

**Paralyzed Veterans
of America**

Iowa Chapter

Designed and printed by

 **ALLEGRA.**

The Cedar Rapids Eagle Riders is a non-profit organization that has a tax exempt status under the Internal Revenue Service (IRS) Code Section 501(C)

The Eagle Riders are a group of eagle members that are dedicated to support the Iowa Chapter of Paralyzed Veterans of America. For the past 3 years we have raised money for the Paralyzed Veterans of America Iowa Chapter. In 2016 we are planning another great event to raise money for this outstanding veterans' organization.

The Iowa Paralyzed Veterans of America (IPVA) is one of 34 chapters which represents their national organization, Paralyzed Veterans of America. PVA is a Congressionally Chartered non-profit veterans service organization (like DAV, or American Legion), but the membership is limited to veterans of the United States Armed Forces who have suffered a spinal cord injury or received a diagnosis of disease affecting the spinal cord.

Iowa PVA relies solely on private donations and grants and receives no governmental funding. Donations made to the Iowa Chapter are dedicated to assist in serving local area veterans. The Iowa Chapter is proud to say that almost \$.90 of every dollar donated is spent directly on their programs. Their administrative and overhead costs are very low.

Iowa PVA provides sporting and rehabilitation events and opportunities for their members. Over the past year they held a Deer and Turkey Hunt at the Lloyd Family Farm, sent an athlete to the Winter Sports Clinic at Snow Mass, CO, co-sponsored the Castaway Disabilities Fishing Event in Ely, MN, sent a team to the National Veterans Wheelchair Games in Dallas, TX, and hosted a pistol shoot in conjunction with a trap shoot on the PVA National Trap Shoot Circuit.

Each year Iowa PVA donates funds for foundations and corporations who promote finding a cure and/or improving the quality of life for those with catastrophic spinal cord injuries or diseases (these include both national and local research projects).

In a similar vein, Iowa PVA provides education and advocacy to the community at large to improve the accessibility to public and private institutions for all disabled individuals as well as bring veterans issues to the attention of our community.

We are asking for your help in the form of a tax-deductible contribution of \$100 or more to support us on our benefit for the Iowa PVA at our 2nd Annual All American Bash to be held in Cedar Rapids Iowa on August 20th 2016.
