Reflecting on the birth of Jesus, we give thanks to God for the gift of salvation and eternal life that was given to us. We also wish to express our thanks to all of you who have traveled with us throughout the year. God's blessings upon those with upcoming tours planned, and to all of you who may travel with us in the future. May the gift of the Christ child bring you peace and joy, today and always.

## A message from our tour hosts and participants....

I've fallen in love with Israel. I've just completed my 7th time journeying to the land of the Bible and I still want more. Every time I go I learn something new and exciting. It has brought my Bible reading to a whole new level of understanding. When I preach, I now paint vivid pictures of what the land and the people look like. Alpha 2 Omega travel is amazing to work with your "must see" lists and budget. I would recommend every pastor and every Christian to at least make one trip in your lifetime. It will change your life and open your heart to a greater understanding of God's Word and prophecies still yet to come. Come to Israel now! **Pr. Bill Burnett, New Life Chapel, Hesperia CA**

For our first time, it was so incredible. Our best event was the Western Wall. We loved it. The presence of the Lord was all over us. Our other favorite was the beautiful Sea of Galilee. We enjoyed that very much. **Anthony and Sandra Calderon, Hesperia CA**

This journey brings the Bible to life. Now as I read, I also bring to memory the sights that we enjoyed. The people, sounds, aromas, and sights just inspire us to learn more! I even completely fell in love with camels and their little attitude looks on their faces. I was able to hold the most beautiful, soft, precious lamb. Goats, chickens, turkeys, and peacocks are beautiful parts of our memories. The varieties of food....beef, hummus, pastries, breads, vegetables, chicken schnitzel, egg dishes, and so many wonderful tastes! The streets of Jerusalem, Western Wall, Dead Sea, Jordan River, Jericho, traveling on the cable car to the adventure of Masada! The Garden of Gethsemane, the Garden Tomb where we took communion with our group, and another group of ladies wanted to join us. So many beautiful churches, the steps where Jesus walked, the hills Jesus traveled and the Sea of Galilee where he walked on water. He healed, he taught, he saw and loved. The beautiful colors of the Mediterranean Sea. The water of the Jordan where many are baptized. Remembering Jesus' baptism. It's difficult to define what is important in our memories because it was all important with different thoughts and emotions. This is a must do on your bucket list. You will not be disappointed!! I have just touched on a small amount of the wonderful journey.

**Butch and Kathy Knox, Apple Valley CA**

No, we weren't with Indiana Jones. We were with Pastor Bill. Many thanks to you and Pastor Bill for finding and taking us on a lifetime adventure. Funny to see my big guy float in the Dead Sea, and of course, a camel ride for some evening appetizers is something everyone must do and a memory I'll never forget. I would also want you to include fun with new friends. From the beginning this group was special and a pleasure. With many thanks to you Linda and Shadi...was wonderful.

Yorba Linda CA**

Beit Sahour; The Shepherds' Fields are east of Bethlehem, following roads which descend mostly through the village of Beit Sahour, which means "the house of the night watch." This was the area which supported the agricultural needs of Judea, with fertile fields, and grazing for livestock. This place is associated with the "tower for the flock" and is mentioned in the Old Testament (Mic. 4:8). Micah also wrote about the ruler who would one day come from Bethlehem (Mic. 5:2). It was in these fields that the angel told the shepherds of the birth of a Savior. Ruth and Naomi gleaned in the fields on their way to Bethlehem from Moab (Ruth 2-4). And we know from the Bible, Ruth married Boaz and became the parents of Obed, father of Jesse, who was the father of King David. Several churches have been built in the area over caves, which were used by shepherds. The modern churches, along with the ruins of ancient churches and monasteries, continue to recall the revelation to the shepherds. In 384, the pilgrim, Egeria, was shown the church called "At the Shepherds" in a valley near Bethlehem. She said, "A big garden is there now, protected by a neat wall all around, and also there is a very splendid cave with an altar."
