Dear Reader,

We hope you enjoy our new newsletter layout! Let us know what you think! Our email address for the center has changed! It is **littlevillage.hiramcc1@gmail.com**. For the next couple weeks we will still receive emails on the old email address but by June 1st we will only have access to the new. Any questions, please ask Tina or Ellen!

We are so excited for our third Little Village graduating class of 2016! Be on the lookout for our graduation informational letter.

Lastly, Little Village is currently enrolling for our summer camp program for school age children! If you know of someone that is interested we are giving a free week of child care during the month of June for referrals to our summer camp program. Stop in the office to find out more information! * Certain guidelines do apply

Sincerely,

Little Village ELC

Preschool Press

Preschool 3's: Our focus will be practicing for the spring/ graduation program this month, butterflies and bubbles!

Preschool 4's: We are diligently practicing for our graduation ceremony with the 3's classroom! Also, our class will be learning about water and how pipes work!

Toddler Times: Water is our focus this month! The toddlers will have loads of fun with a water board, among many other water activities!

School Age Dayz: As summer approaches, remember Little Village has different programs available for your school age child! Ask for more information today!

Last Month We: With the spring air, animal babies visited Little Village this month! A baby chick and a baby goat were brought in to show all of our friends. Some of the kids even got to feed the goat his bottle breakfast! The kids loved their visits! The whole center learned about recycling with the arrival of Earth Day and the preschool 4's class even made birdfeeders from recycled material!

Happy Birthday!
