

Are YOU Ready for Retirement?

Concordia Plan Services is offering you the opportunity to attend a pre-retirement workshop hosted by the **North Wisconsin District**. This workshop is designed to help you plan for that very important transition in your life: **RETIREMENT!** We encourage you to attend and start learning what you'll need to know about making plans for *your* future.

- Applicable to *all* workers enrolled in the Concordia Retirement Plan (CRP), not just pastors or rostered workers.
- Workers of any age can attend, but it's especially geared for those age 50 or older, and those thinking about retirement.
- Spouses are strongly encouraged to attend, too.
- Learn about:
 - Pension income from the CRP.
 - Understanding Social Security.
 - Figuring out how much to save for the future, and the best savings options for you.
 - Healthcare in retirement, both before and after you qualify for Medicare.
 - Who will you be and what you will be doing in retirement.

Please share this with *everyone* at your ministry that is enrolled in the CRP, as they all need to plan for their future!

You will receive some initial materials and information after you register, and additional materials at the workshop!
