## Sunday Reflection – Corpus Christi

Jesus makes a claim only God can make: He is the true bread of heaven that can satisfy the deepest hunger we experience. The manna from heaven prefigured the superabundance of the unique bread of the Eucharist or Lord's Supper which Jesus gave to his disciples on the eve of his sacrifice. The manna in the wilderness sustained the Israelites on their journey to the Promised Land. It could not produce eternal life for the Israelites. The bread which Jesus offers his disciples sustains us not only on our journey to the heavenly paradise, but it gives us the abundant supernatural life of God which sustains us for all eternity.

When we receive from the Lord's table, we unite ourselves to Jesus Christ, who makes us sharers in his body and blood. Ignatius of Antioch (35-107 A.D.) calls it the "one bread that provides the medicine of immortality, the antidote for death, and the food that makes us live forever in Jesus Christ" (Ad Eph. 20,2). When we approach the Table of the Lord, we receive healing, pardon, comfort, and rest for our soul. The principal fruit of receiving the Eucharist is an intimate union with Christ. As bodily nourishment restores lost strength, so the Eucharist strengthens us in charity and enables us to break with disordered attachments to creatures and to be more firmly rooted in the love of Christ. Let us pray: Lord Jesus, you nourish and sustain us with your very own presence and life. You are the "Bread of Life" and the "Cup of Salvation". May I always hunger for you and be satisfied in you alone. Amen.
