FINAL NOTICE FOR BOAT RETRIEVALS

After November 30th, 2019, any boat stored at a TSPOA boat launch area was removed by the Maintenance Department and stored within the locked, fenced area of the Maintenance Garage. This was done in response to TSPOA rule V USE OF THE LAKE, item 4.vii which states boats may be stored in TSPOA boat launch areas from May 15th through November 30th. Any boat remaining at the boat launch after November 30th will be removed by TSPOA, put into outside storage, and may be retrieved by the owner upon payment of a \$100 service fee to TSPOA. Due to COVID-19, the retrieval fee has been reduced to \$25. **Boats not retrieved by owners by the end of June become the property of the TSPOA and will become available for members to purchase.** Below are the boats that remain in the lock-up. You must be able to prove you are the legitimate owner of the boat to retrieve it. None of these boats have current TSPOA registrations.
