

Michigander Club
Grand Representatives Past and Present
Order of the Eastern Star

January 20, 2020

Dear Adult Youth Leader,

The Michigander Club of the Order of the Eastern Star, presents three \$1,000 scholarships each Year. One goes to each of the youth groups in Michigan. These scholarship applications should be postmarked by May 1, 2020

I am enclosing copies of the Rules for Application and the Application for Scholarship. Our hope is that you will inform your members that these scholarships are available and encourage them to apply if they are going to college. All parts of the application are very important and should be submitted with care. You may make as many copies of the Applications as you need.

We are looking forward to making the presentation of the Scholarships at Grand Assembly, Grand Bethel, and State Conclave.

If you have any questions feel free to contact me at 517-726-1277 or email:
