

Dear Parents/Carers

A big thank you to those who have sent in photographs of your family and homes. We will be talking about families after half term and looking at different homes. It was also lovely to see all the baby photos of your children, I wonder how many will recognise themselves?

Also, a big thank you to those parents who have offered to help with our groundworks and decorating. I will now detail what will be happening and when.

We really appreciate the offers of help but, at the moment we will be doing the painting jobs over the Easter holidays and not during February half term. Those parents who have offered to help with this, I hope I can still count on you for the Easter holidays.

On Saturday 10th February the muddy mound will be removed. Those parents who have volunteered for this I am asking that you don't bring any children as there will be trucks on the premises and gates will be open. Someone will be at Playgroup to open at 8.30am. Please could these parents also remove the play castle from that area and leave it on another grassy area as the whole area where the mound is will be bark chipped ready for when we return.

Also, the area around the storage sheds will be strimmed and the rubbish removed on Saturday 10th February.

Once again, many thanks to all those parents who have offered their help, this has obviously saved us a lot of money which can be put towards making the outside area more inviting.

We finish on Friday 9th February 2018 for half term and return on Monday 19th February 2018.

Cheryl
