

## TOWN OF TUSTEN GENERATOR RFP

**NOTICE IS HEREBY GIVEN BY THE TUSTEN TOWN BOARD**, the Town of Tusten is seeking proposals from a licensed NY State Electrical Engineer for site plans, including LPP gas evaluations for the purpose of installing emergency back-up generators with automatic transfer switches and LP gas delivery systems for Tusten municipal buildings which includes: Town Hall, Highway Barn, Water & Sewer headquarters, Two wells, One Pump Station. The Town of Tusten strongly urges the attendance of interested engineering firms at the informational meeting to be held at the Town Offices at 9 am on May 28, 2019, at which time the Town will discuss the proposed project with engineering firms interested in submitting a proposal. The Town staff directly involved will also be available for questions.

Proposals shall include electrical, LP fuel gas and complete installation specifications for each of the three departments **1. Town Hall 2. Highway 3. Water & Sewer** . Please label them accordingly.

All work must be performed in accordance with the NYS uniformed code and relevant NYS and local laws. Assurance of Equal Opportunity and non-collusion certificates required.

Please contact the Tusten Town Clerk's Office located at 210 Bridge St Narrowsburg, NY 12764 by email: [TownClerk@Tusten.org](mailto:TownClerk@Tusten.org) or phone: (845) 252 -7146 prompt # 9 for further questions.

The Town Board reserves the right to reject any and all proposals and to waive any irregularities in the proposal and to re-advertise for new proposals.

Said proposals shall be mailed or delivered to the office of the Town Clerk, 210 Bridge St., P.O. Box 195, Narrowsburg, NY 12764, clearly marked "**Tusten of Town Generator RFPs**", and should be **RECEIVED** **no later than** 3 p.m. July 1, 2019.

Dated: May 21, 2019  
By Order of the Town Board  
Town of Tusten  
Crystal Weston, Town Clerk
