

Hello fellow region #15 members,

Well, our 3rd Annual American Legion Poker Run / Mystery Ride & BBQ went well. Attendance was up and hungry people came in droves! However, this year we had enough food, and didn't run out. We will get with Legion #200 members to see how they liked our help and goodies.

To everyone that supports ABATE on a state level, those who support our region, and most importantly the 10-12 people that step up to run these events all year; THANK YOU! You make this region happen! We might be small, but we are mighty! Once again anyone interested in lending a hand, or just getting informed, please come see us at a meeting. American Legion #200 third Sunday of the month. It's more fun than it sounds!

Jerry Franklin's mother passed away this month. Bless you and your family, Jerry. I love you much.

Bike raffle is coming up in September. Our sales are up from last years, as far as our region. Not sure about the state. If you have tickets please turn them in to me.

1. The Luau party is next week. That too is at the American Legion (Taylor). 2. We are getting our bowling dates set for November. 3. We are considering chartering a bus for a trip to Fire Keepers Casino. If you think you could go, please give me a call or txt. (Up to 42 people, so invite your friends and family). You'll hear more about all those things in the next report. Got to go!

Peace-Love-Out
