Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

RAT Refund Policy

A 100% refund will be given for any request received prior to the first closing date for trial entries. After the closing date, up until 5 p.m. Thursday before the trial, a refund of 80% will be given for females in heat, injured or ill dogs, injured or ill handlers, or family emergency. Verification may be requested. No refunds will be given for withdrawals after 5 p.m. Thursday before the trial.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Volunteer Information

F.O.U.R. Program Friends of USDAA RAT (FOUR)

The FOUR program is a worker discount program and pertains to RAT USDAA trials only. This program was launched at the April 2012 RAT USDAA trial to say thank you to all the RAT USDAA exhibitors who work at our USDAA trials. Without your ongoing help, our trials would not be possible.

FOUR members will receive a discount at the current RAT USDAA trial. To qualify as a FOUR member you must meet **ONE** of the following:

1. You worked two classes at the last RAT USDAA trial you entered. Loading trailers at the end of the trial counts as working one class.*
2. You are in Starters/P1 classes. (All Starters and P1 classes receive the discount.) This automatic discount does not apply to Tournament classes.
3. You are a first time competitor to a RAT USDAA event.

If you have not entered a RAT USDAA trial since April 2012, you are considered a first time competitor and are eligible for the FOUR discount.

The discount is \$2 off for each titling class (Masters/P3 and Adv/P2) and \$5 off of the tournament classes (including Biathlon).

For exhibitors entered in the current RAT trial, you can earn or maintain your FOUR program membership status and receive the FOUR discounts at future RAT USDAA trials if you work two classes. Loading trailers at the end of the trial counts as working a class.

The details of how it works:

When you work a class at a RAT USDAA trial, you will receive one worker coupon. Please fill out your FULL name on the coupon. Coupons are NOT transferable and only exhibitors who work will be eligible. You may use the coupon at the fairgrounds vendor for food, place it in the workers' raffle or just return it to the score table. All coupons will be recorded at the end of the trial.

You are responsible for obtaining, filling out, and turning in your worker coupons. No additional tracking will be provided.

There will be a white board for exhibitors to sign-up to work. To ensure that there are plenty of classes to work, all positions will be available (gate steward, scribe, timer, leash runner, scribe runner, ring crew). RAT will have designated all-day workers for the score table and course building teams. These spots are not available to exhibitors unless approved in advance by the trial chair.

This program is subject to change by RAT at any time.

*RAT maintains a list of all exhibitors who volunteered and worked at the USDAA trials starting April 2012 and are eligible for the FOUR discount at the current trial. If you are unsure of your status, please email us at RAT.USDAA@comcast.net. If you forgot to turn your worker coupons earned at a previous trial, you must attach two to your entry to be eligible for the FOUR program discount. (No additional discount will be given for the worker coupon value.)

Have other questions about the FOUR Program? Please email us at picavin@comast.net.

Volunteers

A volunteer sign-up board will be used at this event. Boards are located at each of the ring entrances near the crating area. Please sign-up early and often. You will receive a \$2.00 FOUR coupon for each class worked. You may use this coupon at the on-site food vendor or at the worker raffle for this event only. These coupons are used to track your FOUR program status which is explained in the premium.
