

IREM® Foundation scholarships provide partial tuition for up to three IREM® courses in either the classroom or on-demand delivery formats. Recipients may reapply for additional scholarships, if needed, upon full use or expiration of any scholarship awarded.

ELIGIBILITY

To qualify for an IREM® Foundation scholarship, an applicant must meet one of the following requirements:

- Be a current IREM® Member (Academic, ACoM, ARM®, Associate, CPM® Candidate, CPM®, or Student), have paid current national and chapter dues in full, and express an intent of earning an IREM® credential (ARM®, ACoM, or CPM®).
- Be a current employee of an AMO® Firm and express an intent of earning an IREM® credential (ARM®, ACoM, or CPM®). Upon successful completion of the course(s) paid by a scholarship, an AMO® Firm employee may be eligible for a one-year complimentary Associate membership.

SELECTION CRITERIA

The selection of scholarship recipients is based on, but not limited to, these factors:

- Demonstrated commitment to a career in real estate management.
- Intent of earning an IREM® credential (ARM®, ACoM, CPM®).
- Support of IREM® Chapter as endorsed on application.
- Previous scholarships awarded and activated, including those that may have expired.

The IREM® Foundation conducts the administration of its scholarship program. It has complete and final authority to confer or revoke scholarships, and to make other decisions pertaining to the use of funds in the scholarship program.

AWARDING AND ACTIVATING SCHOLARSHIPS

After your application is received, you will receive an email notification of scholarships awarded within 10 business days. Once awarded, you will have three months to activate your scholarship by completing a course registration(s) and submitting it with payment to the IREM® Foundation. No extensions will be granted. Course registration information will be provided in your scholarship notification.

PLEASE NOTE: Should you register and pay for a course prior to a scholarship being awarded, you will not be reimbursed. The scholarship can only be applied at the time of the course registration submitted to the IREM® Foundation for processing.

After activating scholarships and completing registrations for all three courses, you may apply for an additional scholarship as long as you continue to meet the eligibility criteria.

SUBMITTING YOUR APPLICATION

Scholarship applications must be complete and include the signature of the local IREM® Chapter President in order to be processed. To find contact information for IREM® Chapters, visit us at www.irem.org.about-irem/chapters
