

NURSERY LETTER

AUTUMN 2021

Welcome to our first Nursery Curriculum Newsletter. You will receive a newsletter each term, highlighting the learning that we will cover in each of our curriculum areas.

We would like to welcome our new children and families to Nursery; we are delighted with how well they have settled into Nursery life at Newton Leys Primary School.

Our planning this year is based on the children's interests. The children lead the way in their own learning. With their ideas and interest we will then plan and provide a variety of different activities and learning linked to children interests within the different areas of the Early Years Curriculum.

The focus will be mainly upon the prime areas of learning: Personal Social and Emotional Development, Communication and Language and

Personal, Social and Emotional Development

The children will be getting to know one another and making new relationships as they settle into nursery. We will be discussing how to resolve conflicts and talking to each other about our abilities and strengths.

We will be talking about our school/nursery rules and

Communication and Language:

The children will be learning how to be a good listener in different situations including whole group and one to one interactions.

They will be using language to recreate roles and experiences in their play and will be encouraged to listen and respond to the ideas of others.

Physical Development

We will be discussing and demonstrating good practices regarding exercise, eating and sleeping as well as developing independence when managing dressing, toileting needs and
