

Kansans for Life and St. Andrew Church present ~

“UNPLANNED” is the story of Abby Johnson, Former clinic director of a Texas Planned Parenthood turned pro-life advocate. Abby is the founder and CEO of “And Then There Were None”, a ministry for those leaving the abortion industry.

Join us to hear a few words about the Kansas constitutional amendment at 3:00 and to watch the movie “UNPLANNED” at 4:00 . This event is free and open to the public.

This film is rate R. It was given that rating due to the graphic content of the abortion images despite the ironic fact that women too young to see the movie can get an actual abortion. We do not recommend this film for children younger than 13. Parents of tens 13-15 should make a decision based on the maturity level of the teen. A waiver must be signed by a parent if child is 18 years old or younger.
