

We remain focused on staying safe!

Social distancing

If you don't feel well or have had a fever within 24 hours before your appointment, been in close contact with anyone diagnosed with COVID-19 within 14 days, or have been out of state/country in the last 14 days, please reschedule. A quick health survey will be asked.

Maintain 6' Distance!

Do not shake hands or have other physical contact with employees or other clients

Please wear a mask

Clients and employees will need to wear a mask at all times to follow the state mandate.* You may unmask in a closed-door bathroom & when photographed (subject only). Hand sanitizer is required upon entering. Hand wash before leaving bathroom; as well as sanitize before & after entering the photography studio.

Sneeze or cough into a tissue or your elbow if needed.

*except those who have trouble breathing

Other Safety Measures:

- Please enjoy your car as your waiting area.
- All persons must have an appointment (deliveries & pick ups included).
- Appointments scheduled based on social distancing standards.
- Each client is required to **bring ONE person** as a helper for hair & clothing adjustments (recommend from same household).
- Plexiglass shields have been installed in the lobby.
- All three main areas of our studio are provided with True HEPA air purifiers to remove airborne particles.
- Before & after each client, bathrooms & high touch areas are sanitized throughout.
- Seating areas, photo albums & magazines have been removed for less touch environment.
- Ability to pay by phone for contactless payment.
- All employees have daily health screening & each have own stations that are sanitized before & after shifts.
- Employees will hand sanitize/wash with each client.
- Designated sink for employees.
- Toilets for employee use only.
- Client garbage & drinks left in your car.
- Signage throughout studio with reminders.

*Stay Safe
and
Healthy*

Sanitizing is the Key!

We have purchased a Certified Clothes Sanitizing Care System. All studio-provided caps/gowns, tuxedos, drapes, shirts, ties & more are sprayed first with disinfectant...then goes through a sanitizing cycle after each use!

Our Promise...

We will stay up to date on SCC public health orders related to COVID-19 & revise protocols as needed. We pledge to stay safe and provide the utmost care in cleaning and sanitizing.
