

## Is Your Retirement On Track?

The **North Wisconsin District\*** and **Concordia Plan Services** are offering you an opportunity to attend a pre-retirement workshop! This workshop is designed to help you as you plan for that very important transition in your life: RETIREMENT! Start learning what you'll need to know about making plans for *your* future.

*\*Workers from other districts are also welcome to attend!*

Workers of all ages who are serving the Church (*especially those age 50 or older*) who are enrolled in the Concordia Plans *and* their spouses are encouraged to attend this workshop to begin to understand the process of planning for retirement, and all that living in retirement entails. The workshop will cover subjects including retirement income and expenses, healthcare in retirement, saving for the future, and planning your retirement lifestyle.

Paul Snyder, Financial Wellness Educator for Concordia Plan Services, will lead the workshop. He will be sending you additional information shortly before the workshop.

We encourage you to share this information with all benefit-eligible workers at your ministry, as *everyone* needs to plan for their future!
